

# Group Discussion: Lean Management Systems

Time: 10 mins

1. Does your management system reinforce finding and eliminating problems, or does it reinforce working around problems to meet the schedule?
2. Have you implemented Lean Production tools only to find they did not seem to work or hold up over time? Why do you think that happened?
3. Are senior managers familiar with and prepared for the part they need to play in leading and sustaining Lean beyond initial statements of support?
