

BA ADA Part 1 English Poems Notes

1. LEISURE

Q1: We do not have time to appreciate beauty of life and nature. Why?

Q2: What are the main ideas explained in the poem Leisure?

Q3: What does poet want to convey in his poem?

Q4: Leisure is criticism on the life of modern man. Discuss.

Q5: What are some of the simple delights we miss in our rushed life?

Answer:

William Davies' poetry is marked with truth and simplicity in idea as well as in language. This poem is the open criticism on modern man's living-style. Modern man of machine age himself has become machine. He is passing his days and nights in doing different jobs but without enjoying pleasure and beauties of natural world.

There is negligence in his attitude towards beautiful scenes of nature and attractive actions of a charming woman. His life is worse than animals which have time to enjoy themselves with the pleasing natural sights.

"What is this life if full of care
We have no time to stand and stare"

He passes through forests but does not give attention towards various activities of the residents of animal world. He neglects to soothe his eyes by watching a smiling face of an attractive woman. The mechanical occupation has deprived people of beauties of life and nature.

To conclude the whole topic it would not be wrong to say that modern man's life is very miserable as well as pitiable due to his own dull and non-aesthetic activities.

□□□□ **A Basic Course in English and Poetry** □□□□ Elizabeth Libby Wong,2012 Why this book This is a companion book
for boys and girls in secondary schools and a reference book for parents and teachers The book has come about because of
the scarcity of the type of books I want to use to teach the essentials of English to secondary school students who are
learning English as a second language in an environment in which contact with the English language is minimal This is a
book with a difference it is reader friendly and uncluttered It has illustrations in Chinese to flag ideas of special interest to
help readers to avoid the types of errors commonly made by students It aims to help them grasp the basics of English and the
practical aspects of its usage Poetry being the soul of any language part of this book discusses poetic measures the
appreciation of poetry and what is new in poetry today This book a labour of love is also about caring and sharing To promote
the practical use of good English is what I care about I think Hong Kong will be a better place for it It shares with readers my
knowledge of English learned from and attributable to my English teachers in schools and universities all those years ago It
shares with my readers my experiences gathered over many years in teaching English and using English in the work place
both during the colonial years in Hong Kong and during my long periods of sojourn overseas in English speaking countries
No language is ever static either in its influence or usage Consider how the former Prime Minister of Australia Kevin Rudd
delivered his speech at Beijing University in fluent Mandarin Consider also how the 1st Vice Premier of China Li Keqiang
ended his speech at Hong Kong University in fluent English All this tells me that no matter who we are or where we come
from we are linked by culture in one way or another Thus in preparing the contents of this book regard has been taken of the
variations and changes to the language that have taken place through globalization and advances in modern technology and
the various innovations currently on the market As shown in the contents each of the easy to read chapters in the book
focuses on specific areas of interest Enjoyment of any language is the beginning of a good thing Enjoy A Basic Course in
