Leaving Cert Irish Music Essays:

The Irishness of Irish Music John O'Flynn, 2017-07-05 This book brings together important material from a range of sources and highlights how government organizations musicians academics and commercial companies are concerned with and seek to use a particular notion of Irish musical identity Rooting the study in the context of the recent history of popular traditional and classical music in Ireland as well as providing an overview of aspects of the national field of music production and consumption O Flynn goes on to argue that the relationship between Irish identity and Irish music emerges as a contested site of meaning His analysis exposes the negotiation and articulation of civic ethnic and economic ideas within a shifting hegemony of national musical culture and finds inconsistencies between and among symbolic constructions of Irish music and observed patterns in the domestic field More specifically O Flynn illustrates how settings genres social groups and values can influence individual identifications or negations of Irishness in music While the apprehension of intra musical elements leads to perceptions of music that sounds Irish style and authenticity emerge as critical articulatory principles in the identification of music that feels Irish The celebratory and homogenizing discourse associated with the international success of some Irish musical forms is not reflected in the opinions of the people interviewed by O Flynn at the same time an insider outsider dialectic of national identity is found in various forms of discourse about Irish music Performers and composers discussed include Bill Whelan Riverdance Sinéad O Connor The Corrs Altan U2 Martin Hayes Dolores Keane and Gerald Barry

Communities of Musical Practice Ailbhe Kenny, 2016-04-28 Every day people come together to make music Whether amateur or professional young or old jazz enthusiasts or rock stars what is common to all of these musical groups is the potential to create communities of musical practice CoMP Such communities are created through practices ways of engaging rules membership roles identities and learning that is both shared through collective musical endeavour and situated within certain sociocultural contexts Ailbhe Kenny investigates CoMP as a rich model for community engagement musical participation and transformation in music education This book is the first to produce a valid and reliable in depth study of music communities using a community of practice CoP framework in this case focusing on the social process of musical learning Employing case study research within Ireland three illustrations from particular sociocultural genre specific economic and geographical contexts are examined an adult amateur jazz ensemble a youth choir and an online Irish traditional music web platform Each case is analysed as a distinct community and phenomenon offering sharpened understandings of each sub culture with specific findings presented for each community
