reached all the countries of East Africa and beyond The dramatic earthquake like manifestations ceased The bush fire of that Revival did not It has continued in Africa Europe USA and elsewhere to this day      **The Legacy of Israel** Edwyn Robert Bevan,1927 The Legacy of Israel deals with the contribution that has come to the sum of human thought from Judaism and from the Jewish view of the world It is not in any sense either a history of the Jewish people or an exposition of Judaism and it is concerned with these topics only in so far as discussion of them may be necessary for the clear setting forth of the proper theme of the volume It is a companion to the Legacy of Greece and The Legacy of Rome Excerpted from Preface page v by E R B C S      **The legacy** Elbert Hubbard,1923      *Legacy* Richard A.
