Legend Of A Suicide Stories

David Vann

Legend Of A Suicide Stories:

Legend of a Suicide David Vann, 2008 In *Ichthyology* a young boy watches his father spiral from divorce to suicide The story is told obliquely often through the boy's observations of his tropical fish yet also reveals his father's last desperate moves including quitting dentistry for commercial fishing in the Bering Sea Rhoda goes back to the beginning of the father's second marriage and the boy's fascination with his stepmother who has one partially closed eye This eye becomes a metaphor for the adult world the boy can't yet see into including sexuality and despair which feel like the key initiating elements of the father's eventual suicide *A Legend of Good Men* tells the story of the boy's life with his mother after his father's death through the series of men she dates In *Sukkwan Island* an extraordinary novella the father invites the boy homesteading for a year on a remote island in the southeastern Alaskan wilderness As the situation spins out of control the son witnesses his father's despair and takes matters into his own hands In *Ketchikan* the boy is now thirty years old searching for the origin of ruin He tracks down Gloria the woman his father first cheated with and is left with the sense of a world held in place as it turned out by nothing at all Set in Fairbanks where the author's father actually killed himself *The Higher Blue* provides an epilogue to the collection BOOK JACKET *The Higher Blue* David Vann, 2010-03-16 In semiautobiographical stories set largely in David Vann's native Alaska *Legend of a Suicide* follows Roy Fenn from his birth on an island at the edge of the Bering Sea to his return thirty years later to confront the turbulent emotions and complex legacy of his father's suicide *A Legend of Good Men* David Vann, 2010-03-16 In semiautobiographical stories set largely in David Vann's native Alaska *Legend of a Suicide* follows Roy Fenn from his birth on an island at the edge of the Bering Sea to his return thirty years later to confront the turbulent emotions and complex legacy of his father's suicide *Ketchikan* David Vann, 2010-03-16 In semiautobiographical stories set largely in David Vann's native Alaska *Legend of a Suicide* follows Roy Fenn from his birth on an island at the edge of the Bering Sea to his return thirty years later to confront the turbulent emotions and complex legacy of his father's suicide ***Ichthyology*** David Vann, 2010-03-16 In semiautobiographical stories set largely in David Vann's native Alaska *Legend of a Suicide* follows Roy Fenn from his birth on an island at the edge of the Bering Sea to his return thirty years later to confront the turbulent emotions and complex legacy of his father's suicide ***Rhoda*** David Vann, 2010-03-16 In semiautobiographical stories set largely in David Vann's native Alaska *Legend of a Suicide* follows Roy Fenn from his birth on an island at the edge of the Bering Sea to his return thirty years later to confront the turbulent emotions and complex legacy of his father's suicide ***The Baby Train and Other Lusty Urban Legends*** Jan Harold Brunvand, 1994-10-17 America's premier folk detective is back on the case sniffing out those zany but dubious stories that really happened to a friend of your sister's boyfriend's accountant's mechanic Jan Harold Brunvand Mr Urban Legend Smithsonian tracks the most fabulous tales making today's cocktail party circuit and shows why those stories that sound too good to be true probably are too good to be true The eponymous episode *The Baby Train* sheds light on certain

predawn activities that have linked unusually high birth rates to the whim of train schedule makers Other stories offer a revealing peek behind the story of The Exploding Bra expose the embarrassing source of The Hairdresser's Error resurrect a Failed Suicide Buster Keaton would have died for and show why adults are better off not bringing their comic book fantasies out of the closet From Superhero Hijinx to The Shocking Videotape to The Accidental Cannibal The Baby Train uncovers the mysteries behind some of the bawdiest goriest funniest most pyrotechnic urban legends yet **Encyclopedia of Urban**

Film, Folklore and Urban Legends Mikel J. Koven, 2008 From Alien to When a Stranger Calls many films are based on folklore or employ an urban legend element to propel the narrative But once those traditional aspects have been identified do they warrant further scrutiny Indeed why is the study of folklore in popular film important In Films Folklore and Urban Legends Mikel J Koven addresses this issue by exploring the convergence of folklore with popular cinema studies Well beyond the identification of traditional motifs in popular cinema Koven reveals new paradigms of filmic analysis which open up when one looks at movies through the lens of folklore In particular this book focuses on the study of urban legends and how these narratives are used as inspiration for a number of films Divided into five sections the book begins with a general survey of the existing literature on folklore film predominantly from the perspective of folklore studies Subsequent chapters address discourses of belief how urban legends provide the organizing principle of some films and how certain films act out or perform a legend Movies discussed in this book include Alligator Candyman The Curve Dead Man on Campus I Know What You Did Last Summer Urban Legend Weekend at Bernie's and The Wicker Man as well as zombie films killer bee movies and slasher films including Halloween Black Christmas The Burning and Terror Train Koven also devotes attention to key television shows such as The X Files and Most Haunted In his analysis Koven explains not only how film and television narratives are built upon already existing popular culture beliefs but also how films and television shows recycle those beliefs back into popular culture Taken as a whole Film Folklore and Urban Legends both stands on its own as the first book length study of folklore and popular cinema and as an introductory textbook for the study of folklore and film
