**Better Than Right:** Elaine Eachus,2021-04-30 After a disquieting trip to Palestine in 2014 which was immediately followed by the Second Intifada in Israel she was blown off her life s course In turmoil she read extensively looking for a refuge from the shock of her encounters Rumi Wendell Berry Richard Rohr Mary Oliver Thomas Merton the liberation theologians and mystics lifted their lights for her Better Than Right is one woman s steps toward meaning Definitely not a superhighway her story is full of twists and turns denoting her reflections and journey to make sense of life She walks gingerly on a path that feels like a bewildered child caught in the crossfire of a bitter divorce Her literary camera has both wide angle and close up lenses to catch the sweeps and the detail of her journey on the third planet from the sun Better Than Right invites you to see if her description resonates with your experience Better still does her light offer solace and hope for your next mile

 offers encouragement and support for all single parents      **Burny's Journeys** Brian Finkle,2004 It s one man s story from  
 childhood to his mid fifties and counting He never went looking for adventures or answers to life but because of timing  
 coincidences synchronicities call it what you will that started early and have never ended he has been blessed with a lifetime  
 of stories and then some He spent his first twenty years in small town Iowa before the U S Army decided that they had a need  
 for him It was February of 1968 and it proved to be a bad time to be entering the military After a year in Vietnam he came  
 home intact but a changed young man He packed up a van and headed west with everything he owned Except for the  
 baseball cards that his parents had already thrown away Damn After joining Vietnam Veterans Against the War John Kerry  
 was their president he went to D C and threw his medals away on the Capitol steps with a thousand or so other vets who  
 realized that as a country we could make mistakes and this time we had He was thrown in jail in Denver with 78 other vets  
 for simply trying to march as an organization in the Veteran s Day Parade It was a tough time for people to stand up to their  
 government but he felt it was important and so did many people Those actions changed the direction of our country Maybe  
 something like this the author suggests is needed again today After some bad relationships he hit the road for 2 1 2 years  
 without an address to call his own He spent two fairy tale winters in Mexico and Guatemala where he explored caves found  
 untouched ceynotes met many characters as well as great friends and all the while he compiled stories It was then that he  
 began journaling and has never stopped nearly 30 years later and neither have the stories He had the most vivid dream of his  
 life which magically eventually led him to his lovely bride They have now shared the past quarter of a century together  
 including kids and grandkids It s all there along with the lessons and confessions      **Kinfolk** ,1994      **Newsletter** National
