 Poarch,Jean-Marc Dewaele,2017-03-29 Have you ever been told that raising your child to speak multiple languages will harm  
 their development Are teachers or other professionals suspicious of your efforts Are you sometimes unsure if you are helping  
 your child s language development or are you uncertain where to start It is increasingly recognised among researchers that  
 far from harming a child s development being exposed to multiple languages from birth or early childhood can result in  
 linguistic creative and social advantages The authors all multilinguals themselves parents of multilingual children and  
 researchers on language and multilingualism aim to provide advice and inspiration for multilingual families across the world  
 The latest research on multilingualism and the authors own experiences are used to provide a friendly accessible guide to
