The School Librarian, 2001 *Mastering Writing at Greater Depth* Adam Bushnell, Angela Gill, David Waugh, Rob Smith, 2020-02-29 How do teachers identify the potential for greater depth writing and encourage children to meet their full potential This book was created by people who are not only passionate about primary education but who are also leading experts in their own particular areas They have made use of their wide experience to offer practical guidance on greater depth writing while underpinning this with theoretical understanding We hope that reading this book helps you to reflect on what greater depth writing looks like and how you can encourage children to write at greater depth You will find many suggestions for teaching lessons that encourage children to write at greater depth underpinned by theory **Sheds on the Seashore** Kathryn Ferry, 2009 Beach huts have become seaside icons They may be small structures with basic facilities but we still love them They feel quintessentially British combining a shelter from our changeable weather with a place to brew a mug of tea This title tells the story of how beach huts came into being and why they remain so beloved by their owners

Bathing Beauties Michael Trainor, Hub (Sleaford, Lincolnshire, England), 2008 *Sandies in the Beach Huts* Catherine Watts, 2008 **Beach Huts** Karen Averby, 2017-04-15 The beach hut is an integral part of the British seaside and is no less popular now than it has ever been This is the story of these quirky buildings **Beach Huts** Rod Green, 2005 A gorgeous and quirky celebration of those pretty peculiar and well loved edifices that stand between humankind and the open sea Wherever there are beaches there are beach huts the cabins that provide that last bastion of domestic security between us and the ocean from which we came and the last stop before we take off our clothes and become one with nature From the Black Sea to Belgium South Africa to Southwold Cannes to California Melbourne to Morecambe Scandinavia to Sardinia and every country with a coastline in between beach huts stand bravely against the elements and represent more about our humanity our national characteristics our local and national cultures and indeed ourselves than we may realise While worldwide local authorities may dictate how the outside of these cabins should look as a symbol of civic pride inside is a little world entirely individual a cosy home from home a love nest a storage place **History in Action 1 (5-7)** Karen Cooksey, 2004-11 Instant lesson plans with teachers' notes on differentiation and engaging copiable activities for pupils Book 1 concentrates on popular topics for ages 5 to 7 matching the QCA Scheme of Work for History and meeting NC requirements More KS1 topics are covered in Book 2 **Peep through beach huts** Lynda Wilson, 2010 **The Beach Hut and Other Stories** Sian Hughes, 2009 *Build a Beach Hut for Your Garden* Charlie Minton, 2016-02-11 A beach hut in your garden The brightly painted British beach hut is as essential to the British coast as sandcastles deckchairs flimsy windbreaks and ice cream In recent years the growing nostalgia for these popular little buildings has made them rocket in price But if you have the space in your garden there is little to stop you from building one yourself These attractive extensions to your living space can be used as a workshop study office changing room if you have a pool and even if you don't In fact there are even

commercial uses such as entry kiosk site office snack bar storage shop and many more possibilities And they are so much more delightful to look at than a plain old garden shed and are generally sturdier This little book includes a plan for a typical promenade design of approx 12 feet long and 8 feet wide with pitched roof and covered veranda The design uses strong methods of construction and can be tailored to suit your own sizes With cutting and materials lists suggested tools and over 100 illustrations this is a must have for anyone who fancies a touch of the seaside at home *YELLOW BEACH HUT.*
