Leathercraft as a Hobby Clifford Pyle, 1940 Manual Training Magazine Charles Alpheus Bennett, William Thomas Bawden, 1921 A Manual of Photographic Technique L. J. Hibbert, 1921 Manual Training and Vocational Education Charles Alpheus Bennett, William Thomas Bawden, 1915 Leatherwork and Tanning Lynn Huggins-Cooper, 2020-01-31 This book offers a whistle stop guide to the history of leathercraft and tanning. The story begins in prehistory when people discovered perhaps by chance that skins exposed to smoke or accidentally soaked in autumnal puddles lasted longer. Skins were a valuable resource used for everything from clothing to shelter, blankets and vessels. The book looks at evidence that shows us how tanning and leather continued to be of prime importance across the globe throughout history in economic as well as functional terms. The second part of the book brings us up to date via interviews with modern day leather crafting artisans. These leather crafters generously allowed the author access to their studios and discussed the way they use and adapt traditional methods, techniques and tools for the twenty first century. Photos of their craft and their working environment offers a unique window into the world of leathercraft. Finally, if you are inspired to try your hand at this fascinating and most ancient of crafts, the book also has a resources section. It includes a valuable list of suppliers of leather, dyes, tools and tanning materials, as well as information about training courses, useful websites and more everything you need to get started. *Leather Work* Adelaide Mickel, 1915 Manual Training Magazine, 1903 *The Leatherworking Starter Handbook* Stephen Fleming, 2020-05-31 Suppose you have to appear for an exam next week who would be the go to person for seeking help and guidance? Option 1: A Subject Matter Expert (SME) who has been studying/teaching the subject for several years and often assumes while explaining that the basics are covered or looks at it from their frame of reference. Or Option 2: Someone who also started from scratch as you have and passed the exam just last week. He/She knows the exact process, challenges, doubts and roadblocks you may be facing and can think from your perspective. If your option is 2, you are in the right place.
