Lee Harvey Oswald As I Knew Him:

Lee Harvey Oswald as I Knew Him George de Mohrenschildt, 2014-11-22 Let us hope that this book poorly written and disjointed but sincere will help to clear up our relationship with our dear dead friend Lee Thus concludes a largely forgotten manuscript appended to Volume XII of the House Select Committee on Assassinations Lee of course was Lee Harvey Oswald the man accused of having assassinated President John F Kennedy in Dallas on November 22 1963 and whose closest friend many have argued was Dallas resident George de Mohrenschildt For years following Kennedy's assassination there were rumors and assumptions some started by de Mohrenschildt himself that this colorful larger than life European migr possessed a key to understanding Oswald's alleged actions The reflections presented here recorded between 1969 and his death in 1977 was de Mohrenschildt's attempt to recover the humanity of a friend he believed had been demonized as simply an insane killer In a series of recollections about his brief friendship with Oswald and his wife Marina between the fall of 1962 and the spring of 1963 de Mohrenschildt recalls conversations about Lee's time in Minsk about political issues of the day particularly Latin America and the Oswalds turbulent and troubled marriage He discusses the assassination and its aftermath including his lengthy 1964 Warren Commission testimony appearance on NBC television and concludes with his own speculations about the possibility of a conspiracy to assassinate Kennedy and the question of Oswald's involvement Threaded throughout are de Mohrenschildt's reflections on the corrosive effects of his friendship with the Oswalds on his and his wife Jeanne's personal and professional lives first in 1964 and then echoing right up to the completion of this manuscript in 1976 Deftly edited and annotated by Michael Rinella whose introduction also supplies critical background information and context this once unwieldy grammatically quirky and eccentrically organized text can now be seen for the valuable biographical social and historical document it actually is Lee Harvey Oswald As I Knew Him George De Mohrenschildt, Michael A. America and Western Europe who considered him too weak to contain the spread of communism After the Cuban Missile Crisis the animosity for the young President grew as JFK cracked down on right wing Cuban exile groups in America by preventing them from running sabotage raids against the Cuban mainland Confusion reigned for at the same time Robert Kennedy was putting together a coalition of left wing Cuban exiles to launch a second invasion of Cuba at the end of 1963 Meanwhile a right wing Cuban exile group operating independently of the Kennedys was looking to assassinate JFK which they believed would be a catalyst to compel the United States to invade Cuba with its military in retaliation The plan could have worked because of Lee Harvey Oswald He was a Marxist and Castro supporter who had defected to the Soviet Union in 1959 had renounced his citizenship and had revealed military secrets to the Russians He allegedly tried to shoot right wing General Edwin Walker was a member of the pro Castro Fair Play for Cuba Committee and in the summer of 1963 he was arrested in New Orleans for handing out pro Castro literature in public He traveled to Mexico City and tried to reach Havana two months before the JFK assassination He wrote a letter to the Russian Embassy in Washington D C upon his return saying he used an alias while he was in Mexico He was measured as 5 9 tall during his autopsy which was two inches shorter than when he left the Marines four years before All this made him the perfect patsy to be used to justify a second invasion of Cuba So why didn t the United States invade Cuba after the JFK assassination when they had the opportunity to do so once and for all The answer to that question is West Berlin the gateway to Western Europe and a city President Kennedy was determined to protect at all costs even if it meant sacrificing Cuba to the Communists And a second invasion of Cuba placed Berlin in jeopardy so it could not be allowed to happen Another group came together in the spring of 1963 made up of CIA right wing Cold War veterans like Allen Dulles James Angleton Henry Hecksher William Harvey and Tracy Barnes These men had fought the Nazis during World War but came to consider them the lesser of two evils compared to the Soviet Union when the war was over And they were hell bent on keeping communism out of Europe by any means possible For over a decade leading up to JFK's Presidency they had collaborated with ex Nazis European Monarchists and French military Fascists in the war against communism to keep Europe safe So it was not surprising that they all came together once again to assassinate President Kennedy not to justify an invasion of Cuba but to prevent that from occurring They knew that if a second invasion of Cuba were to happen the Soviets would take West Berlin which would almost certainly have led to World War III So as a Last Resort Beyond Last Resort this group inevitably concluded that the only choice they had was to remove JFK from power before it was too late And mixed up in the middle of it all was Lee Harvey Oswald Legend Edward Jay Epstein, 1978 A biography of Lee Harvey Oswald the alleged assassin of President John F Kennedy This book succeeds in finally breaking the legend created for Oswald It begins by revealing an incredible series of contacts between rival intelligence officers concerning the JFK assassination and culminates in a series of events that turn the CIA inside out Investigative author Edward Jay Epstein managed to obtain Oswald's address book and interview more than 150 people who knew him Barnes
