

CISP Legal Guardian Contract

Please, carefully read the following regarding the appointment of a legal guardian as required by Czech law and CISP. Parents who would like for their child(ren) to attend CISP while living with legal guardians must investigate what their own passport country's embassy requires in regards to legal guardianship.

CISP recommends that the legal guardian be no younger than 25 years old and at least 10 years older than the child(ren) for whom they are caring.

In order to fulfill the requirements of CISP, the legal guardian must agree to provide the following for any child(ren) with whose care they have been entrusted:

1. Appropriate accommodations, healthy meals and snacks, laundering of clothes, other basic care etc.
2. Able and willing to make all parental decisions regarding the care, discipline, medical treatment, and upbringing of the child(ren).
3. Apart from emergencies, a good legal guardian should take an interest in the child's development and progress, as well as supporting the school in the development of the child's overall physical, emotional, and mental well-being.
4. Provide a home-away-from-home environment for the student during holiday breaks when the student is not at school.
5. Attend parent/teacher conferences and/or meetings and report the information back to the parents at regular intervals.
6. Monitor the academic and social development of the student entrusted to their care. Parents should have confidence that when their child is in need of help or advice; the legal guardian will be available to assist their child whenever support is needed.

FINANCIAL PENALTIES FOR CHANGES TO GUARDIANSHIP

1. **Failure to notify CISP if Parents leave the Czech Republic**
If the parent(s), with whom the student resides, leave the country they are required to provide email notice to the [CISP Attendance office](#) that includes dates of travel, contact information for the parents, AND contact information for the person(s) responsible for the care of their student during their absence.
If both parents leave the country for more than one week, they are required to complete Legal Guardianship paperwork for their student. If proper Legal Guardianship requirements are not met and CISP discovers that the enrolled student is NOT living with the parent(s), CISP will remove the student from all classes and/or impose a penalty equal to one quarter's tuition and fees.
2. **Change of approved Legal Guardian**
If a student has been approved by the School Director to enroll at CISP while living with a Legal Guardian, written notice must be provided to CISP at least one month in advance if the approved Legal Guardian will change. In the event that proper notice is ~~not given~~ to CISP, and it is discovered that the student is NOT living with the approved Legal Guardian, then CISP will remove the student from all classes and/or impose a penalty equal to one quarter's tuition and fees.
