**A Part of Me, You & Us** Renzie,2021-05-09 After many years of researching studying and learning about simple everyday life situations we go through and listening to others I finally made it to the point where I m able to share a more personal look inside of my life and the lives of everyday normal people As you read A Part Of Me You a part I ve kept hidden or at least I thought it was hidden a part of Me that now wants to speak on its own terms I realized my blessing isn t just for Me it s also for those who God has brought and will bring into my life to assist Me in their own unique way and share their own stories You re going to read about some of the events that have helped Us get to this point in our lives This is a look inside the minds of a few people who are willing to share their stories with the intent of helping others who may be on similar journeys These are stories about Me You and things we did together That s how Me and You became US and how our stories came into existence So here s the next step to finding out who we really are and the journeys that got Us here I hope when You read my book it enlightens your journey Enjoy
