what you've learned to safeguard your organization from drifting away from its mission Foursquare.org Transforming Church Tim Monger, 2023-01-01 The area of community development provides a unique opportunity for the church to partner with God in his mission to see the world transformed In Transforming Church Tim Monger draws from over a decade of experience working in integral mission alongside local congregations in East Africa Providing an overview of the current landscape of African community development he engages the question of how the church can be truly effective in alleviating poverty and bringing hope to its communities He explores the theological and biblical foundations for integral mission alongside its practical realities and casts a vision for what can be achieved when the church engages the development context in ways that are biblically grounded culturally appropriate and practically relevant This book is an excellent resource for practitioners students and Christian leaders involved or seeking to be involved in rural and urban community development especially in Africa Transforming Church calls readers to think biblically theologically and culturally about their work while inviting them to expand their vision of the church's role in ushering in the kingdom of God Relovutionary Jonathon William King, 2020-09-18 RELOVUTIONARY clearly demonstrates that Jonny King has something of value to say to the church in these days I commend his book to you Jeff Crosby Publisher InterVarsity Press USA PHILOSOPHY FOR TRUE HUMAN FLOURISHING Each person without exception is desperate for flourishing Every individual hungers and aches to live an expression of the good life This compulsion inside is as automatic as it is intuitive This general human longing reflects a common drive for meaning and not just for the Christian Still most intimately know they can't entirely do life their way Whilst the majority readily confess they haven't the sufficient means or even the necessary power After all look at what happens when a global pandemic shuts down life The fact we rarely arrive at contented satisfaction becomes life's own rolling stone Do you have a present vision Are you confident of the process What about any worthwhile or ultimate goal This living challenge becomes even more practically specific for the Christian What if someone asked you for the content of a faithful and fruitful life for Christ What would you say Now factor in these challenging and confronting cultural times How would you reply After all you sincerely love Jesus and passionately want to live for Him which means you're entirely motivated to offer something not only realistic but true But can you The good news is that in your hands contain the opening lines where RELOVUTIONARY intends to be your own personal guide Volume One introduces this idea setting the coordinates for the reader's unfolding navigation The context is huge only increasing any anticipation on this series comprehensive value This Is Your Life has been genuinely engineered for any curious reader wanting an answer to the absurdity of existence and for every genuine follower of Jesus Christ determined to live a life worthy of His calling There is no greater promise or purpose than living for Jesus no matter age stage time or place which means there should be no further reading delay WELCOME TO THE LIFE RELOVUXIONARY **From Dependence to Dignity** Brian Fikkert, Russell Mask, 2015-05-12 The church of Jesus Christ finds itself at a very unique moment in history The average Christian living in

the economically advanced countries enjoys a level of prosperity that has been unimaginable for most of human history. At the same time over 2.5 billion people in the Majority World Africa Asia and Latin America live on less than 2 per day with many of these people being Christians. Ironically it is amongst the least of these in the Global South that the global church is experiencing the most rapid growth. All of this raises profound challenges to the global church. How can churches and missionaries in the Majority World effectively address the devastating poverty both inside their congregations and just outside their doors? How can churches in the economically advanced countries effectively partner with Global South churches in this process? The very integrity of the global church's testimony is at stake for where God's people reside there should be no poverty. Deuteronomy 15:4 Acts 4:34. For the past several decades microfinance (MF) and microenterprise development (MED) have been the leading approaches to poverty alleviation. MF MED is a set of interventions that allow households to better manage their finances and start small businesses. From remote churches in rural Africa to the short term missions programs of mega churches in the United States churches and missionaries have taken the plunge into MF MED trying to emulate the apparent success of large scale relief and development organizations. Unfortunately most churches and missionaries find this to be far more difficult than they had imagined. Repayment rates on loans are low and churches typically end up with struggling programs that require ongoing financial subsidies. Everybody gets hurt in the process donors relief and development agencies churches and missionaries and most importantly the poor people themselves. This book explains the basic principles for successfully utilizing microfinance in ministry. Drawing on best practice research and their own pioneering work with the Chalmers Center Brian Fikkert and Russell Mask chart a path for churches and missionaries to pursue a path that minimizes the risks of harm relies on local resources and enables missionaries and churches to minister in powerful ways to the spiritual and economic needs of some of the poorest people on the planet. The insights of microfinance can play a tremendous role in helping to stabilize poor households removing them from the brink of disaster and enabling them to make the changes that are conducive to long term progress. Moreover when combined with evangelism and discipleship a church centered microfinance program can be a powerful tool for holistic ministry one that is empowering for the poor and devoid of the dependencies plaguing most relationships between churches in economically advanced countries and churches in poor nations.

Faith and Public Life Alfred Sebahene, 2025-05-31. God's love in Jesus Christ for the salvation and recreation of all things is still the hope of the world. This Christian affirmation is the reality that holds all things and holds all things together. Yet in today's world it is easy to understand why the church is in pain and declining in its Christian and moral influence. *Rethinking Church in the 21st Century* is the culmination of three years of exploration into the condition of the church around the world today. Bringing together a diverse community of Christian voices these essays offer reflections and admonitions to ignite the hearts of pastors and leaders during the dynamic vulnerable and hopeful times we face. In this third volume the contributors explore how the church should be engaged in the public space in the face of the

new opportunities and fundamental challenges confronting the global church today These realities missional expansion persistent barriers to human progress shifts in the composition and centre of gravity of world Christianity and a growing attention to the need for the church to embrace a radically different way of life call for a new approach to the role of faith in our public life to the different ways of witnessing to Christ and stewarding the mysteries of Christian faith With solid grounding in Scripture and critical reflection for authentic Christian public witness and mission this book speaks of how the gospel of Jesus Christ endlessly relates to the whole world and its reconciliation with God A Culture of Engagement

Cathleen Kaveny, 2016-03-01 Religious traditions in the United States are characterized by ongoing tension between assimilation to the broader culture as typified by mainline Protestant churches and defiant rejection of cultural incursions as witnessed by more sectarian movements such as Mormonism and Hassidism However legal theorist and Catholic theologian Cathleen Kaveny contends there is a third possibility a culture of engagement that accommodates and respects tradition It also recognizes the need to interact with culture to remain relevant and to offer critiques of social political legal and economic practices Kaveny suggests that rather than avoid the crisscross of the religious and secular spheres of life we should use this conflict as an opportunity to come together and to encounter challenge contribute to and correct one another Focusing on five broad areas of interest Law as a Teacher Religious Liberty and Its Limits Conversations about Culture Conversations about Belief and Cases and Controversies Kaveny demonstrates how thoughtful and purposeful engagement can contribute to rich constructive and difficult discussions between moral and cultural traditions This provocative collection of Kaveny s articles from Commonweal magazine substantially revised and updated from their initial publication provides astonishing insight into a range of hot button issues like abortion assisted suicide government sponsored torture contraception the Ashley Treatment capital punishment and the role of religious faith in a pluralistic society At turns masterful and inspirational A Culture of Engagement is a welcome reminder of what can be gained when a diversity of experiences and beliefs is brought to bear on American public life **Future of Everything** William Boekestein, 2019-02-19
