Disenchantment () Vol. III: The Crossing (1987-1989) Zhang Kangkang, 2025-09-18 This is a book about memory and forgetting The 1980s grow increasingly distant occasionally returning with wind and snow but transformed to dust or drizzle or wavering suspended in the tainted air like a deathless specter That decade marking the end of our youth has the desolate beauty of an elegy ushering in our middle age it has the solemn and stirring quality of a processional Gravity has smashed the past into fragments that only words can laboriously piece together While knowing that it is merely a pointless addendum a futile reboot a belated tribute I have stubbornly attempted to look back and write this book Luo Yi once said History is essentially a court that is constantly in retrial One person s biased and narrow memories are trivial against the grand and stirring historical narrative written by the victors But I ve always forgotten what should be remembered and remembered what should be forgotten The opus magnum of a writer who has experienced the whole period of the communist regime in China Disenchantment is filled with scenes and stories oozing authenticity Michel Bonnin The author deconstructs the enchantment of ideology and reveals the brutal political violence of this period through the backgrounds and stories of her characters Su Xiaokang A stellar contribution to Chinese literature and the understanding of contemporary Chinese history Michael Duke A courageous and important work which deserves to be published in the Chinese speaking world and beyond Richard King An epic of an extraordinary age of great transformations and convulsions Bernadette Y Li A Chinese version of Doctor Zhivago David Rong *Cobalt Rogue, Vol. 2* Alexander Engel-Hodgkinson, 2016-08-20 Contains Episodes 015 037 Damian and the others finally make it to the the floating country of Sky Japan so that Damian could keep his end of the bargain to help the Knight Sisters find their mother Unfortunately things aren t going to be that simple especially after Damian and the Knight Sisters become entangled in a brutal power struggle between warring criminal syndicates and anti government factions On top of that Damian is given a job to save hundreds of children from the most powerful and sadistic ringleader of the Sky Japan criminal underworld and he has three different military groups and his vengeful enemy closing in on him from all sides and only four hours to deal with them all before everything goes to hell PREVIOUSLY PUBLISHED AS DARK BOY **The Reluctant Revolutionary** Sven A.
