**Assault on Paradise** Conrad Phillip Kottak, 2017-11-10 By the highest standards Assault on Paradise ranks among the best and most complete modern ethnographic accounts ever written In a rich narrative style it chronicles the rapid social and economic change in Arembepe a once isolated coastal fishing village in Brazil where the author first conducted anthropological fieldwork more than fifty years ago With emphasis on the impact of globalization technology and mass media the current edition extends stories of people and events as well as internal and external changes Readers quickly feel a part of the evolving community of Arembepe and the author's close friends and informants As one reviewer put it The people and personalities come through in a very human and often amusing way This isn't ethnography with the people taken out The well structured jargon free coverage makes it ideal for use in introductory anthropology courses *Contemporary Cultures and Societies of Latin America* Dwight B. Heath, 2002 Featuring 47 essays on recent developments in Latin America and in anthropology this anthology discusses the image and reality of the region the basic principles and practices of anthropology traditional and modern cultures identity and ethnicity relations of power and worldviews Selections were chosen in part for their accessibility jargon is kept to a minimum A bibliographic essay is included There is no index Annotation copyrighted by Book News Inc Portland OR **Book Review Index**, 2006 Every 3rd issue is a quarterly cumulation **POE Prophecies: The Black Cat** P. **Humanitarian intervention in the long nineteenth century** Alexis Heraclides, Ada Dialla, 2015-07-01 This book is a comprehensive presentation of humanitarian intervention in theory and practice during the course of the nineteenth century Through four case studies it sheds new light on the international law debate and the political theory on intervention linking them to ongoing issues and paying particular attention to the lesser known Russian dimension The book begins by tracing the genealogy of the idea of humanitarian intervention to the Renaissance evaluating the Eurocentric gaze of the civilisation barbarity dichotomy and elucidates the international legal arguments of both advocates and opponents of intervention as well as the views of major political theorists It then goes on to examine four cases as humanitarian interventions the Greek War of Independence 1821-31 the Lebanon and Syria 1860-61 the Bulgarian atrocities 1876-78 and the U.S intervention in Cuba 1895-98 Humanitarian intervention in the long nineteenth century will be of benefit to scholars and students of international relations international history international law and international political theory An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence

*Rethinking Women's and Gender Studies Volume 2* Catherine M. Orr, Ann Braithwaite, 2023-11-23 The second volume of Rethinking Women's and Gender Studies addresses the complexities and inherent paradoxes within the expansive knowledge project known as Women's and Gender Studies for audiences both inside and adjacent to the field Each of the volume's chapters identifies and critically examines a key term that circulates in this field exploring how the term has come to be understood and mobilized within its everyday narratives and practices In constructing provocative genealogies for their terms authors explicate the roles that this language and the narratives

attached to it play in producing and limiting possible versions of the field The ongoing aim of Rethinking Women s and Gender Studies both in the original volume and this entirely new extension is to trace and expose important paradoxes ironies and contradictions embedded in the field from its high theory to its casual conversations that rely on these terms Forging collective conversation and intellectual community from its thoughtful and critical lines of inquiry the second volume of Rethinking Women s and Gender Studies remains bracingly original and full of fresh insight It provides a perfect complement for Feminist Theory Senior Capstone and introductory graduate level courses offered in Women s and Gender Studies and related fields     **The Studio** ,1896     **Studio** ,1896     The Publishers' Circular and Booksellers' Record ,1920
