Ethical Issues in Business - Second Edition Peg Tittle, 2016-12-15 Peg Tittle's ambitious business ethics text brings together readings, cases, and the author's own informed opinions. The second edition includes over a dozen new readings and case studies, as well as a new chapter on issues in Information and Communication Technology. Includes Canonical and topical readings on issues ranging from whistleblowing and advertising to international business, the nature of capitalism, and the environment. Engaging overviews from the author encourage careful reflection and critical examination of conventional assumptions. What to Do scenarios and Case Studies illustrate the practical relevance of each topic. Comprehensive introductions to ethical theory and the ethics of business. Questions following each selection test understanding and promote active reading. A primer on ethical institutions examines the role of ethics consultants, codes of ethics, and more. **Popular Mechanics**, 2001-04 Popular Mechanics inspires, instructs, and influences readers to help them master the modern world.
