Microeconomics Michael Parkin 11th Edition:

The Microeconomics Anti-Textbook Rod Hill, Tony Myatt, 2021-12-02 Mainstream textbooks present economics as an objective science free from value judgements The Microeconomics Anti Textbook demonstrates this to be a myth one which serves to make such textbooks not only off puttingly bland but also dangerously misleading in their justification of the status quo and neglect of alternatives In this fully updated and expanded edition of their celebrated book Professors Rod Hill and Tony Myatt lay out the essentials of each topic in the standard texts in a clear and concise way before presenting an anti text analysis and critique Challenging the assumptions arguments and models Hill and Myatt provide the essential guide to decoding the textbooks and show that real economics is far more interesting and subversive than the simplistic version presented to students

Teaching Principles of Microeconomics Mark Maier, Phil Ruder, 2023-01-06 Abundant with practical advice and ready to use teaching examples this dynamic guide will help both new and experienced instructors of Principles of Microeconomics to reconsider and refine their courses Mark Maier and Phil Ruder assemble the wisdom of 25 eminent scholars of economic education on how best to introduce students to the discipline and inspire a long lasting passion for microeconomics

Microeconomics Michael Parkin, 2013-04-11 For the principle of microeconomics course This book is also suitable for all readers interested in economics Thoroughly updated stripped of technical detail where possible extensively illustrated with well chosen photographs enlivened with new applications features that focus on issues at play in today s world responsive to the suggestions of reviewers and users and seamlessly integrated with MyEconLab These are the hallmarks of this eleventh edition of Microeconomics Parkin brings critical issues to the forefront Each chapter begins with one of today s key issues and additional issues appear throughout the chapter to show the real world applications of the theory being discussed When the chapter concludes readers read between the lines to think critically about a news article relating to the issue demonstrating how thinking like an economist can bring a clearer perspective to and deeper understanding of today s events Readers will begin to think about issues the way real economists do and learn how to explore difficult policy problems and make more informed decisions in their own economic lives Parkin is so committed to currency that he uploads news articles almost daily to MyEconLab the online assessment and tutorial system that accompanies the text Assessment questions based on the Economics in the News articles are uploaded periodically so that instructors can assign recent articles within MyEconLab Note If you are purchasing the standalone text or electronic version MyEconLab does not come automatically packaged with the text To purchase MyEconLab please visit www.myeconlab.com or you can purchase a package of the physical text MyEconLab by searching the Pearson web site MyEconLab is not a self paced technology and should only be purchased when required by an instructor

Principles of Economics' 2003 Ed. , *Natural Resource Economics* Barry C. Field, 2008-03-12 People make decisions regarding the use of natural resources every day from the individual recycling a sheet of paper to governments of large nations creating energy policy Those decisions ultimately affect

people around the world Their motivation and results are best framed and analyzed using the tools of natural resource economics Field presents the methods and applications of the discipline in the latest edition of his popular text The updated book retains its successful structure first presenting basic economic principles as they apply to natural resource use and then examining the economic issues surrounding individual resources New material is included on energy demand and efficiency nonrenewable resources individual transferable fishing quotas water pricing agricultural cropland programs and the Endangered Species Act
