LESSON 2 ■ ACTIVITY 33

Answers for Changes in Supply

Part A

Based on the information provided in Figure 13.2, each scenario has a unique effect on the supply of corn. Use the blue arrows to the right of the graph to indicate whether the supply will move outward or inward. Use the same colors to indicate whether the change is an increase (blue) or decrease (red) in the total quantity supplied. Remember that the supply curve shifts out or right if the supply curve shifts to the right (an increase) or left (a decrease). Use Figure 13.2 to help you. Answer each of items 1–6, and then complete items 7–8 below. Each scenario depicts a change in the supply of corn from corn change.

Figure 13.2
