

## SST 340

**A legend in its own time.**

SST 340 has been out for less than a year, and it's already a folk hero.

People are comparing it to its big brother, the 440.

And to a lot of other pretty famous sleds, which it would be unfair to name.

There's gossip about the styling. Swept back. Low to the snow.

There's talk about the big 36 hp radial fan-cooled engine.

There's stories about the super light, super strong, aircraft aluminum chassis.

There's whispers about the adjustable handle-

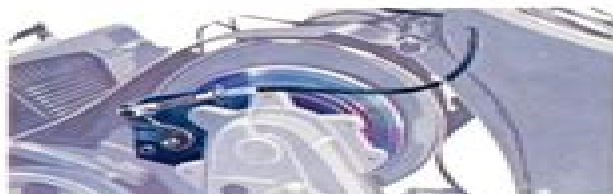

bars, the tough new track, the direct readout fuel gauge and all that.

Now, put all that gossip and talk and stories and whispers together, and what have you got?

The truth. So help us.

Adjustable handlebars. Ride with low, ride with high.

Safe, sure disc brake. Also spring, cam and trackset.

Full instrumentation, including speedo and tach.
