## **Jubilee Bible From The Scriptures Of The Reformation:**

The Jubilee Bible Russell M. Stendal, 2021-04-21 Translated from the Original Texts in Hebrew and Greek into Spanish by Casiodoro de Reina 1569 and compared with the revision of Cipriano de Valera 1602 Based on the New Testament of Francisco de Enzinas 1543 and on the New Testament 1556 with the Psalms 1557 of Juan P rez de Pineda This material was translated from Spanish into English by Russell M Stendal and compared with the Old English Translation of William Tyndale Pentateuch of 1530 Ploughboy Edition New Testament of 1534 Joshua to 2 Chronicles of 1537 and Jonah It was also compared word for word with the Authorized Version by King James of 1611 The word of our God shall stand for ever Isaiah 40 8 Why this Version The Jubilee Bible JUB stands apart from most other English versions in print since the beginning of the last century The usage and context tend to define each key word so you do not have to blindly rely on theological dictionaries or reference materials that may wittingly or unwittingly include any type of prejudice or bias Careful attention in properly and consistently translating each key word through the first usage and on through to the last occurrence was made to avoid the use of synonyms Then as the word makes its way across the Old Testament and you make the correct match with the corresponding Greek word in the New Testament an amazing pattern emerges The Jubilee Bible is the only translation we know of that has made a serious attempt to mate each unique Hebrew word and subsequently its Greek equivalent with a unique English word using the common English of William Tyndale and the extraordinary Hebrew scholarship of Casiodoro de Reina of the early Reformation so that the use and number of occurrences of each key word sets forth the idea of what God means by each word as defined by the actual context in Scripture     *Jubilee Bible* Russell M. Stendal, 2014-10-15 In the Jubilee Bible 2000 JUB the usage and context tends to define each key word so you don t need to depend on theological dictionaries or reference materials Careful attention has been made to properly translate the first usage of each key word and through to the last occurrence Then as the word makes its way across the Old Testament and you make the correct match with the corresponding Greek word in the New Testament an amazing pattern emerges The Jubilee Bible is the only translation we know of that has each unique Hebrew word matched and mated with a unique English word so that the usage number of occurrences and number of verses where the word occurs sets forth a meaningful number pattern and a complete definition of what God means by each word     Jubilee Bible Russell M. Stendal, Aneko Press, 2013-11-01 In the Jubilee Bible 2000 JUB the usage and context tends to define each key word so you don t need to depend on theological dictionaries or reference materials Careful attention has been made to properly translate the first usage of each key word and through to the last occurrence Then as the word makes its way across the Old Testament and you make the correct match with the corresponding Greek word in the New Testament an amazing pattern emerges The Jubilee Bible is the only translation we know of that has each unique Hebrew word matched and mated with a unique English word so that the usage number of occurrences and number of verses where the word occurs sets forth a meaningful number pattern and a complete definition

of what God means by each word Specs 9 pt font 6 x 8 5 x 1 908 pages Kivar Softcover      **The Prophet's Manual** John Eckhardt, 2017-07-04 Sharpen and sustain your prophetic gift and learn strategies for speaking the Word of God with confidence There is a prophetic remnant rising up in the earth who want to be called out trained and activated in their gift to hear God's voice and deliver His messages to His people and they must not grow weary Best selling author John Eckhardt provides encouragement for those who operate in their prophetic gift to endure and continue to be a mouthpiece for the kingdom of God      *Ruth: A Prophetic Story of Faith, Grace, and Redemption* Russell M. Stendal, 2019-09-24 The book of Ruth records historical events that literally happened but it is also a living parable with great spiritual and prophetic significance This is the love story of Ruth symbolic of the bride of Christ and Boaz the kinsman redeemer who is symbolic of Jesus Christ Ruth was the third gentile woman after Tamar and Rahab to be incorporated into the bloodline of Jesus Christ and became the great grandmother of king David Boaz is the eleventh generation of the line of Abraham What a wonderful delightful time in the history of the town of Bethlehem and of the people of God All these events would lead to the advent of Jesus Christ prophesied as the seed of Abraham and the son of David The genealogies in Scripture all culminate at the generation of Christ in which we like Ruth may be included by faith and grace as part of the redeemed body of Christ

**Prophet, Arise** John Eckhardt, 2015 Offers teachings intended to inspire readers to accept God's calling and engage in prophecy on His behalf      The Prize of the High Calling of God Stendal, Russell M., 2022-11-11 What is the greatest danger to the Christian life Is it the government or the next pandemic Is it the wrath of unbelievers or exposure to their lifestyles The life of a committed Christian is often fraught with difficulty and danger yet this is not something that should be seen as abnormal The apostle Paul dealt with trials and was in jeopardy throughout his entire ministry even to the point of being incarcerated for his faith Even so he knew that the greatest danger to the Christian life comes from within us Namely the insatiable and unchecked desires of the flesh of which he also referred to as the old man Paul understood that the flesh must be dealt with before believers can ever come to maturity in Christ therefore this was a matter he addressed within most of his epistles In totality Paul teaches that we must be crucified with Christ so that we can live by the Spirit and not fulfill the lust of the flesh This is because he that sows to his flesh shall of the flesh reap corruption but he that sows in the Spirit shall of the Spirit reap eternal life Galatians 6:8 How can this be our reality In this latest book *The Prize of the High Calling of God* author Russell M Stendal examines the entirety of the epistles Paul wrote while imprisoned in Rome As always with Russell's gift for seeing both the finer details and the larger picture he helps the reader to see that they can individually take hold of what God has for them in Christ and by the Holy Spirit Russell M Stendal is the editor and translator of the Jubilee Bible JUB and Biblia del Jubileo JBS translations that are published in English and in Spanish Well over a million copies of the Biblia del Jubileo have been donated and distributed into the most impoverished areas of Colombia and Venezuela Russell Stendal was born in Minneapolis and raised on the mission field in Colombia South America He became a missionary jungle pilot at age

nineteen Almost ten years later he was kidnapped in 1983 by Marxist rebels and held hostage for five months Russell has written many other books produced videos and produced the two aforementioned Bible translations Russell heads up the work of Colombia Para Cristo which operates 12 radio stations involving over 100 staff and co workers and covering much of Latin America with the Gospel A thriving underground church has developed in remote jungle areas of Colombia New high gain antennas are now beaming the Gospel message deep into areas of deepening crisis across the borders of Venezuela Ecuador Peru and Brazil as well as throughout Colombia

**The Spiritual Self-Assessment Interview** John Wesley Knight III,2018-12-19 The purpose of The Spiritual Self Assessment Interview is for individuals to take a deeper look at their spiritual relationship with God and evaluate themselves on how well they are living out what they profess This first of its kind book will encourage you and provide you with a tool to help measure areas that can be improved upon It will also give you a sense of accomplishment as you will vividly see areas where you have done well This I see as a fresh perspective to challenge the way we think in our current culture We are evaluated at our place of work and given a 90 day review mid year review and an annual review We then strive to do our very best to improve in areas where we fall short for our employer If we are willing to challenge ourselves to do better due to the critique of man how much more should we be willing to do whatever it takes to improve ourselves for our God
