Love And Other Uturns:

Love and The Turning Seasons Andrew Schelling, 2014-02-11 For thousands of years India has excelled at erotic love poetry and the genius of its devotional poetry often harnesses great energy and mystical insight It is in fact often hard to tell whether the poets are offering poems of spiritual longing using the garment of love poetry or writing erotic poems in the guise of devotion Perhaps in a country where erotic sculpture routinely ornaments its many temples and the gods are known for their explosive sexuality this question has little meaning to these remarkable writers In their devotional traditions eroticism and mysticism seem inseparable This wonderful selection spans 2 500 years and includes work originally sung or recited by their well known bards Kabir Mirabai Lal Ded Vidyapati and Tagore There are also poems from the Upanishad from ancient Sanskrit poetry and Punjab folk lyrics The poets have largely emerged from the ranks of the dispossessed leather workers refuse collectors maidservants women orphans Their vision is of a democratic society in which all voices count much like American gospel and blues Shaker songs or the grand vision of Walt Whitman Often they faced persecution for speaking candidly or daring to speak of spiritual matters at all The notes include profiles of these legendary lives Several of these poets simply vanished absorbed into a deity or disappeared in a flash of purple lightening A few produced miracles most of them have clouds of mystery around them Andrew Schelling has drawn on the work of 24 other translators including Ezra Pound Robert Bly W S Merwin Jane Hirschfield and Denise Levertov to build what will be the finest anthology of India s erotic and spiritual poetry for the general read ever assembled

Of Love and Other Sorrows Ashok Chopra, 2016-02-15 Reports announcing the death of the book are now rife but the continued relevance of the ten master writers discussed in this volume is proof to the contrary Here we come across the dissident Czech writer V clav Havel who later became the nation s president the South African Nobel Laureate Nadine Gordimer with her pronounced anti apartheid novels the Chilean American Isabel Allende the world s most widely read Spanish author and G nter Grass hailed as the literary spokesman of his generation We also meet Graham Greene and Milan Kundera alongside the Egyptian Naguib Mahfouz who in his quiet way ridiculed Islamic fundamentalism The book is rounded off with three remarkable Latin American writers Pablo Neruda Octavio Paz and Gabriel Garc a M rquez Of Love and Other Sorrows takes the reader on a fascinating journey in the company of some of the biggest names in modern literature This illuminating study of their lives and works will seduce readers to rediscover these masters for themselves
