Notice to Boat Manufacturer/Installer

Throughout this publication, dangers, warnings, cautions, and notices, (accompanied by the International Hazard Symbol) are used to alert the manufacturer or installer to special instructions concerning a particular service or operation that may be hazardous if performed incorrectly or carelessly. These safety alerts follow ANSI standard Z39.5-2000 for product safety information in product manuals, instructions, and other collateral materials. **Observe Them Carefully!**

These Safety Alerts alone cannot eliminate the hazards that they signal. Strict compliance to these special instructions when performing the service, plus common sense operation, are major accident prevention measures.
