

Counseling Script

Counselor: Hello Astrid! Good afternoon, how are you today?

Astrid: Good afternoon too, Mr Counselor. I'm so very tired and stress these past few days.

Counselor: Oh, what's stressing you out? And why are you tired?

Astrid: These past few days we do a lot of school work and I'm also very tired of organizing my documents because I'm moving to another school.

Counselor: Oh! You're diligence Astrid! You seem to be overwhelmed with a lot of school work and organizing your documents to move to another school.

Astrid: You're right, Mr Counselor. I get too early to enter the online class because we start at 7am and end at 5pm. Then when it's night when I do my school works, sometimes I'm too awake just to finish them. I spend most of the day studying. And then sometimes when I have a little more time I even help my mother in looking after our boutique shop and convenience store.

Counselor: How do you feel about doing so many things, especially your school works?

Astrid: I'm so stressed with too much to do. And sometimes I'm too tired and I can't handle my emotions. I also always experience a break down.

Counselor: Hmm, Is it okay Astrid for you to say more about your emotional tiredness?

Astrid: Actually, I've always been a top student since elementary until now and the expectations of my teachers and classmates are very high for me so sometimes they almost expect school works from me. Because they thought everything was easy and I could do it.

Counselor: So based, in your story Astrid, they have high expectations of you and you don't want to disappoint them, so you do everything even if it's difficult?

Astrid: Yes, you're right. And sometimes because of too much stress I can't sleep well. And beside their expectations I also think what will happen when I move school because I might not have friends because I'm afraid to make friends.

Counselor: I'm just wondering how affected you are when you disappoint them. Was there a time when you failed in their expectations and what happened?

Astrid: Hmm. Yes there is a time when I disappoint one of my classmates and that is my horrible nightmare. Actually she is my friend and at that time she was doing a research paper for me but I forgot to do it and then she was very angry with me.

Counselor: What do you mean that was your horrible nightmare? When she got mad at you Astrid can I know what she did and said to you?

Astrid: Hmm, Actually at that time I was very fat and my friends were few because others were ashamed of my physical appearance. When that friend of mine got angry she always called me a pig and every time she saw me she would tell me "oink oink" and then one time she painted a picture of me with my face on the pig and spread it all over the school. That time I didn't want to go to school because I was so embarrassed.

Counselor: It's so sad to hear that Astrid, Don't be ashamed that you were fat at that time, there's nothing wrong with that, the important thing is that you don't hurt other people. When your friend did that to you, did you tell your mother?
