*Mercenaries of Panama* Lee Dorsey, 2015-01-20 Shada is an assassin a trained killer It s a far cry from what she expected when she went to medical school It s also a long way from what she was taught by Al Qaeda after an old flame convinced her to become a terrorist Making a terrorist attack one day her luck ran out and she was captured by the Company They came close to killing her but instead instead sold her to an Egyptian slave trader A senior Company ranger eventually acquired her from the slave trader and took her to Panama where the Company decided they could use her talents When Shada is on a mission she is all business When she s on her own she is over sexed hedonistic and venturesome She satisfies those cravings at every turn She was good at killing too After several years of that she wanted to return to medicine only to find that the Company was not eager to lose such a valuable asset One way or another Shada was done with killing That was when she realized that you don t retire from The Company you can only try to escape How she does that is a story in itself

*Mercenaries of Panama, Book Two: Shada* Lee Dorsey, 2023-02-03 Erotic Thriller Shada s life takes an unusual path as a woman educated at Johns Hopkins Medical School and eventually trained by Al Qaida to be an assassin She successfully conducts missions in the Middle East neutralizing the enemy until she s captured by The Company She may well have been neutralized herself if the mercenary Frank from Dorsey s novel *Mercenaries* I hadn t saved her life He returns her to a compound in Panama where her experience taking out the enemy makes her a candidate for hire Following twelve weeks of training she spends several years as an assassin and becomes a valued asset However apart from her unique profession Shada s personal life is quite spicy By her own admission she s oversexed hedonistic and satisfies that craving at every turn When in time she wants to retire Shada plans her escape from the mercenary life with an elaborate scheme to neutralize the Egyptian slave trader who held her captive and used her as his sex slave She s vowed to neutralize him once the opportunity arises When the time comes she executes her foolproof scheme with ease except for one critical error The slave trader s daughter Nefertiabet is convinced that her father was murdered by the woman he once abused When Shada learns that her enemy s daughter wasn t fooled by her staged death she s determined to neutralize Nefertiabet in a mission that will be her last

*Mercenaries of Panama, Book Three: Ebi* Lee Dorsey, Like his contemporaries in Dorsey s other Panama novels Ebi has had an erotic and adventurous life Joining the Army after high school he s recruited into Special Forces and serves as a Ranger for ten years Later he s recruited by the Company completing twelve years of successful missions all over the world As a highly experienced Ranger within the Company he leads difficult and dangerous missions At the same time he plans his eventual escape into retirement Over the course of his professional life he has had three women who have professed their love for him He would like to take one of these women into retirement with him but is faced with a moral dilemma in making his choice of his close friend Rayan They must stage their deaths and find a suitable place to escape The concern is can they actually escape Or is it true that no one can successfully retire from the Company

**Mercenaries of Panama, Book One:**

**Frank** Lee Dorsey, 2022-11-18 The only job young Frank has ever had is flying A7 jets off an aircraft carrier while serving in Vietnam After being shot down he is held captive in the Hanoi Hilton before he is released He comes home to find that his fiancée has married someone else which sends him spiraling into depression He bums around despondently for a year until he meets Antoinette and the two begin a sizzling affair As it turns out Antoinette is a recruiter for an organization called the Company a group of mercenaries operating from a training facility in Panama where they are hired for missions strictly in a gray area Not only does Frank fall for Antoinette with whom he has a child he falls in love with a young librarian Dana He manages the two relationships successfully throughout most of his adult life and when those relationships end there are several notable affairs that follow The life of a mercenary may sound exciting but it teaches him that there is no life after retirement if you are employed by the Company Follow Frank's through his working life and a love life marked by steamy romance and hot sex

out He'll neutralize them one by one until he's the only director left It's a dangerous plan but one he's determined to pull off Steamy sex and adventure unite in this tale of revenge

**The U.S. Invasion of Panama** Independent Commission of Inquiry on the U.S. Invasion of Panama, 1991 This book counters the media blitz that portrayed the invasion of Panama dubbed Operation Just Cause by the Pentagon as a restoration of democracy and a war against drugs It details the horrors of the invasion as experienced by the civilian population and documents the operation's criminal character thus providing the truth behind the U S invasion of Panama

*Operation Just Cause*, 2004 *Operation Just Cause* Thomas Donnelly, Margaret C. Roth, Caleb Baker, 1991 The authors visited each major battle site to write this authoritative and vivid account of Operation Just Cause and offer a firsthand account of the planning execution and aftermath of the U S invasion of Panama and the fall of General Noriega in December 1989

**Emperors in the Jungle** John Lindsay-Poland, 2003-02-11 Focuses on environmental policy and human rights dimensions of the activities of the U S military in Panama analyzing the guiding mythologies and racial stereotypes behind the US's colonialism in the region

*Operation Just Cause*, 2004

**Battle for Panama** E. M. Flanagan, 1993 Army general Edward M Flanagan Jr had unequaled access to Just Cause's key planners and to official after action reports His sixth book Battle for Panama contains exciting tales of fierce combat as told by the troops themselves Its foreword is by Gen Maxwell R Thurman USA Ret who headed the U S Southern Command during the battle and it has been selected by the Association of the U S Army for its distinguished AUSA Book Series

*Operation Just Cause* United States Army, 2015-02-05 Operation JUST CAUSE one of the shortest armed conflicts in American military history is also one of the most relevant to irregular missions facing today's soldiers R Cody Phillips in trenchant prose discusses the extraordinarily complex U S military intervention into Panama in December 1989 covering the strategic setting and salient operational details and concluding with a summary and analysis On 15 December Panamanian dictator General Manuel Antonio Noriega already under indictment for international drug trafficking announced a state of war with the United States Given the threat not only to U S citizens in Panama but also to larger U S interests and Canal Zone security the United States Army took appropriate countermeasures by rapidly deploying thousands of personnel and equipment from distant military installations and then striking with surgical precision and decisive maneuver almost two dozen objectives within a two day period Phillips's compelling story with useful lessons is a tribute to all soldiers a recognition of the initiative discipline training and esprit de corps they consistently demonstrate while serving their nation in both military and peace operations

*We Answer Only to God* Thomas L. Percy, 1998 An interpretation of military civilian relations in 20th century Panama that provides new insights into the intricate social and political circumstances of Panama as it assumed control of the Canal

**The Laws of War and the Conduct of the Panama Invasion** Kenneth Anderson, Juan E. Méndez, 1990

*The Fog of Peace* John T. Fishel, 1992 This study addresses the effects of Operation JUST CAUSE in Panama It raises questions about where post conflict activities belong in the planning and execution processes The author

demonstrates the interaction of the Active Components and the Reserve both day today and in extraordinary circumstances He explores the interagency arena and uncovers the weakness of the interaction between the military and other government agencies While he shows that the Unified Command system is eminently well adapted to achieving operational success he points out that in the complex post cold war world it is not adequate to the task of independently effecting strategic success The study challenges the military reader to look beyond the purely military in seeking ways to apply military resources effectively to the termination of conflict It challenges the civilian reader to see military resources as among the tools available to the U S Government during the transition from war to peace as well as in the twilight world of low intensity conflict Finally the study demonstrates that post conflict activities are perhaps the critical phase of the military campaign In that case achieving the strategic political military objectives will depend on the extent of integrated effective interagency planning for the conduct of the war and the associated civil military operations Panama Operation JUST CAUSE post conflict activities civil military operations

**Operation Just Cause** Bruce W. Watson, Peter Tsouras, 2019-07-11 This book offers one of the first comprehensive academic views on Just Cause the December 1989 U S military intervention in Panama It presents excellent positions for the reader to consider and give a comprehensive view of all of the factors and events that prompted the operation
