Mod Civilian Pay Scales 2013

Yves Gambier, Luc van Doorslaer

Mod Civilian Pay Scales 2013:

The Armed Forces of the United Kingdom, 2014-2015 Charles Heyman, 2014-02-10 This book has been published at regular intervals during the last 20 years and the latest 2014 2015 addition is the one that deals with the most far reaching changes the UK Armed Forces have gone through for a generation Although the UK's Armed Forces **Armed Forces' Pay Review Body forty-first report 2012** Armed Forces' Pay Review Body, 2012-03-13 This is the 41st Report by the Armed Forces Pay Review Body and provides independent advice to the Prime Minister and the Secretary of State for Defence on remuneration and charges for members of the naval military and air forces of the Crown As last year the Secretary of State for Defence directed the Review Body to confine recommendations on an overall pay uplift to those earning 21 000 or less because of the two year pay freeze imposed across the public sector The main recommendation is for an increase of 250 in military salaries for those earning 21 000 or less A number of other recommendations are made on targeted pay measures and accommodation and food charges

Border Crossings Yves Gambier, Luc van Doorslaer, 2016-09-14 For decades Translation Studies has been perceived not merely as a discipline but rather as an interdisciplinary a trans disciplinary field operating across a number of boundaries This has implied and still implies a considerable amount of interaction with other disciplines There is often much more awareness of and attention to translation and Translation Studies than many translation scholars are aware of This volume crosses the boundaries to other disciplines and explicitly sets up dialogic formats every chapter is co authored both by a specialist from Translation Studies and a scholar from another discipline with a special interest in translation Sixteen disciplinary dialogues about and around translation are the result sometimes with expected partners such as scholars from Computational Linguistics History and Comparative Literature but sometimes also with less expected interlocutors such as scholars from Biosemiotics Game Localization Research and Gender Studies The volume not only challenges the boundaries of Translation Studies but also raises issues such as the institutional division of disciplines the cross fertilization of a given field the trends and turns within an interdisciplinary

Defence Inflation Keith Hartley, Binyam Solomon, 2018-10-18 Defence inflation is a recurring factor in determining defence spending It is widely reported in official government publications and in the trade press but remains relatively neglected by defence and peace economists In this book international contributors from Finland Norway Sweden the UK and the USA distinguish between defence inflation and cost escalation and identify the causes of both They use specific case studies to address a wide variety of theoretical and empirical issues and key questions including the following Does defence inflation affect all countries What are its effects Why does it occur How if at all can defence inflation be controlled While most industry and trade press devote considerable ink and space to the discussion of defence inflation cost escalation and their consequential impact on the purchasing dollars of the armed forces economists have been relatively silent This book aims to rectify this oversight through a multinational survey and analysis of the topic while also identifying the opportunities for further theoretical and empirical research in the
