John Buchan The Thirty Nine Steps:

The Thirty-Nine Steps John Buchan, 2017-09-07 A special edition of *The Thirty Nine Steps* by John Buchan reissued with a bright retro design to celebrate Pan's 70th anniversary. When a strange man turns up on his doorstep with stories of spies and assassinations, Richard Hannay is drawn into the murky world of international espionage. Four days later the stranger is dead and Hannay is caught up in a dramatic race to prevent a world war. Hunted across Britain by enemies unknown, he must outwit his pursuers and try to reach the site of the mysterious Thirty Nine Steps. Set in 1914, this classic British thriller has been adapted many times for stage, television, and film. *The Thirty-nine steps - Buchan* John Buchan, 2024-04-15 John Buchan, 1st Baron Tweedsmuir (1875-1940) was a Scottish Unionist writer and politician who served as Governor General of Canada and became famous for his novel *The Thirty Nine Steps*. The novel was published by Buchan in 1915 and adapted for the screen by Alfred Hitchcock two decades later, achieving great success both among readers and on the cinema screens. In the novel, the Scottish writer narrates the story of Richard Hannay, who during his vacation in London decides to solve a mysterious case told to him by a woman he met in the city who would shortly thereafter be murdered. In addition to being chosen by Hitchcock to be brought to the screens, the novel *The Thirty Nine Steps* not coincidentally is part of the famous collection *1001 Books You Must Read Before You Die*. **The Thirty-Nine Steps** John Buchan, 2017-05-03 *The Thirty Nine Steps* is a novel by John Buchan published in 1915. It first appeared as a serial in *Blackwood's Magazine* in August and September 1915, before being published in book form in October that year by William Blackwood and Sons, Edinburgh. It is the first of five novels featuring Richard Hannay, an all-action hero with a stiff upper lip and a miraculous knack for getting himself out of sticky situations. Summary: The novel is set during May and June 1914, when war was evident in Europe. Richard Hannay, the protagonist and narrator, an expatriate Scot, returns to his new home, a flat in London, after a long stay in Rhodesia to begin a new life. One night, he is buttonholed by a stranger, a well-travelled American who claims to be in fear for his life. The man appears to know of an anarchist plot to destabilise Europe, beginning with a plan to assassinate the Greek Premier, Constantine Karolides, during his forthcoming visit to London. The man reveals his name to be Franklin P. Scudder, a freelance spy, and remarks that he is dead, which holds Hannay's attention. Scudder explains that he has faked his own death in order to avert suspicion. Scudder claims to be following a ring of German spies called the Black Stone, who are trying to steal British plans for the outbreak of war. Hannay lets Scudder hide in his flat, and sure enough, the next day, another man is discovered having apparently committed suicide in the same building. Four days later, Hannay returns home to find Scudder dead, with a knife through his heart. Excerpt: I returned from the City about three o'clock on that May afternoon, pretty well disgusted with life. I had been three months in the Old Country and was fed up with it. If anyone had told me a year ago that I would have been feeling like that, I should have laughed at him, but there was the fact. The weather made me liverish, the talk of the ordinary Englishman made me sick, I couldn't get enough exercise, and the

amusements of London seemed as flat as sodawater that has been standing in the sun Richard Hannay I kept telling myself you have got into the wrong ditch my friend and you had better climb out It made me bite my lips to think of the plans I had been building up those last years in Bulawayo I had got my pile not one of the big ones but good enough for me and I had figured out all kinds of ways of enjoying myself My father had brought me out from Scotland at the age of six and I had never been home since so England was a sort of Arabian Nights to me and I counted on stopping there for the rest of my days
