DETAILED SPECIFICATIONS

PURPOSE

This section contains detailed specifications for various parts in the tractor. If desired, a tab or marker can be added to aid future reference to this section.

The dimensions given for new parts are intended to aid the service man in determining when a new part is necessary. This new part information should never be used as the only reason for part replacement. Satisfactory performance during the future service life of the tractor should be the main consideration. However, worn parts usually require more attention than new parts.
