

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

The Semantics of Development in Asia Jin Sato, Soyeun Kim, 2024-05-30 This open access book explores Japanese involvement in Asian development through selected development ideas and lexemes that are widely regarded in Japan as untranslatable into other languages. Each chapter traces the genealogy of locally nuanced development ideas and lexemes in Japan and the process by which they have spread across Asia and beyond through Japan's development cooperation. The

Semantics of Development in Asia critically examines the diverse Western and non Western roots of Japanese development ideas and lexemes and their shifting semantics shaped by the ever changing national international political economies and dominant development thinking of different eras The volume contributes to a more pluriversal approach to knowledge production in development studies through its in depth examination of vernacular Japanese ideas This book is useful to researchers students and teachers in the fields of Asian studies development studies and international relations It is also of value to policymakers and practitioners whose professional interests include development cooperation by and with Asian countries
