Mains,2015-05-12 Very little communication takes place between most pastors priests and their congregants regarding the weekly sermon homily This lack of constructive dialogue has resulted in Sunday messages that are not only out of touch with where parishioners are living but for the most part what s said isn t remembered much beyond the church parking lot Dr Mains contends that people in the pew can best judge when a sermon is helpful to them and when it isn t So why not include them in the process of both preparing and evaluating sermons Not preaching the sermons but again preparing and evaluating them He makes these changes sound so simple and practical that you can t help but wonder Why weren t these ideas implemented years ago Most people in the pew don t realize how integral they are to finding a solution to this problem But the pulpit pew combination can be an incredibly powerful team so let s begin to work together to help solve this mystery of what s happening to sermons This is not a negative book or one that only points out problems Instead it s a positive practical and encouraging read that should fill you with hope for not only your local congregation but churches everywhere      **The Expositor** ,1918      **The Expositor**

**and Current Anecdotes** ,1911      **Freeing Black Girls** Tamura Lomax,2025-03-07 In *Freeing Black Girls* Tamura Lomax offers an insurgent feminist love letter to Black girls women mothers and othermothers Exploring what it means to mother Black children in the twenty first century Lomax shares her journey from her traditionalist Black girlhood to finding the path to revolutionary Black motherhood Along the way she shows how all Black people are endangered by white supremacist capitalist heteropatriarchal dominance and emphasizes the power of looking and talking back Lomax insists on Black feminist ways of living that value and nourish whole persons sketching a radical dream that will allow Black women and girls to survive America while being able to love themselves others and collective Black freedom Ultimately Lomax declares that Black women and girls are emphatically not defective second class or immanent nurturers they are sacred and revolutionary beings who deserve to live a life free of predation patriarchy misrecognition misogynoir and violence      Practical Art ,1924

*The Bible and the Calendar* Thomas D. Campbell,2010-04-13 Planning and text selection are important ingredients in a preacher s work Saturday night specials sermons out of a frantic search for a scripture passage and possible message are all too familiar with many Lack of a systematic approach will exhaust the preacher and weaken one s pulpit ministry This book can be a help to those who want to be faithful preachers rightly handling the word of God      **Fresh Ideas for Preaching,**
