

The notebook cover features a collage of automotive-related images. At the top left is a close-up of interlocking metal gears. Below that is a horizontal strip containing two smaller images: on the left, a yellow dipstick is shown in a blue oil reservoir; on the right, two men are looking at a document in a workshop. The bottom half of the cover is a large image of a car's undercarriage being inspected by a person in a dark uniform. At the very bottom, there are two small, partially visible images: a car wheel on the left and a person working on an engine on the right.
