**Jocelyne Khoueiry - L'indomptable** Nathalie Duplan, Valérie Raulin, 2021-08-26 L'histoire exceptionnelle d'une figure de la Résistance chrétienne au Liban Jocelyne Khoueiry qui 20 ans peine a pris la tête d'un millier de combattantes pour défendre son pays menacé par les Palestiniens tout en vivant une conversion spirituelle tonnante Le destin d'une femme hors du commun Remarquable biographie d'une femme hors du commun Un travail extrêmement approfondi passionnant et mouvant Dominique Baudis Liban avril 1975 La guerre éclate Jocelyne Khoueiry vingt ans peine prend les armes pour défendre son pays menacé par les Palestiniens qui ont tablé un tat dans l'at Rare femme lutter avec les commandos d'élite elle devient une figure de la Résistance chrétienne et se retrouve bientôt la tête d'un millier de combattantes Dans la nuit du 6 mai 1976 elle remporte seule avec six gamines une victoire décisive contre trois cents combattants palestino-syriens La légende de Jocelyne et ses filles est en marche Cette date est aussi celle d'un changement profond la rencontre avec le Christ d'une jeune femme confessant jusqu'alors un christianisme identitaire Dès lors elle ne cesse de communiquer sa foi l'ensemble des Forces libanaises Pendant dix ans elle est sur tous les fronts et de toutes les batailles pour apporter l'espérance au cœur de la mitraille Son combat pour la vie et pour un Liban multi-confessionnel n'a jamais cessé depuis *Women and the Lebanese Civil War* Jennifer Philippa Eggert, 2021-11-09 This book analyses the reasons for women's participation in the various Lebanese and Palestinian militias involved in the Lebanese Civil War 1975-1990 Whilst most existing accounts of the Civil War in Lebanon either overlook the roles and experiences of women entirely or focus on women as victims or peacemakers only *Women and the Lebanese Civil War* highlights that women were involved as militants and often also as fighters in all of the militias partaking in the war Analysing individual motivations organisational characteristics security related aspects and societal factors the book explains why women were included as fighters in some of the militias but not in others Based on extensive fieldwork in Lebanon the book is the first comprehensive study of female perpetrators and supporters of political violence during the Lebanese Civil War Beyond the case of Lebanon it questions widespread assumptions about the roles of women at times of violent conflict and war **Women, Global Protest Movements, and Political Agency** Sarah Colvin, Katharina Karcher, 2018-07-11 This volume analyses and historicises the memory of 1968 understood as a marker of an emerging will for social change around the turn of that decade rather than as a particular calendar year focusing on cultural memory of the powerful signifier 68 and women's experience of revolutionary agency After an opening interrogation of the historical and contemporary significance of 1968 why does it still matter how and why is it remembered in the contexts of gender and geopolitics and what implications does it have for broader feminist understandings of women and revolutionary agency the contributors explore women's historical involvement in 1968 in different parts of the world and the different ways in which women's experience as victims and perpetrators of violence are remembered and understood This work will be of great interest to students and scholars of protest and violence in the fields of history politics and international

### **Lebanese Civil War Through its Songs** Walid

Hedari,2025-09-26 The Lebanese Civil War 1975 1990 profoundly influenced the region s social and cultural landscape including its musical expression Yet the role of songs in reflecting the military conflict as well as the geopolitical tensions and aspirations it generated remains largely underexplored Analyzing song lyrics offers an alternative lens through which to understand the conflict one that goes beyond traditional historical narratives While history books often recount events through the lens of military operations political developments or diplomatic maneuvers this research takes a different approach I seek to understand history through the lyrics of songs examined in tandem with the biographies and lived experiences of the artists who created them What socio political insights can these songs reveal Les Antigones de
