The handbook also provides an overview of Tan's life and discusses how she emerged onto the scene as a novelist. Tan's typical themes including Asian American issues and mother-daughter relationships are examined in relation to today's current events and pop culture. Readers will also discover how and where they can find Tan on the Internet and how the media has received her works. The What Do I Read Next chapter will help readers find other authors and works that deal with similar subjects. This handbook is an indispensable tool for both high school and public libraries.
