Revival-God's Proven Method of Awakening His Church Edgar Lewellen,2005-08 **Authentically Emergent** R. Scott Smith,2018-08-08 Are Brian McLaren Tony Jones Doug Pagitt and Rob Bell yesterday s news as many evangelicals seem to think Truth and the New Kind of Christian 2005 tried to provide a balanced assessment of McLaren s and Jones s views But they seem to be right about much more that is affecting evangelicals than was realized then Also that book misunderstood one of their core claims everything is interpretation Moreover their views have developed over the years e g ethically about colonialism its influences and how we should live now They also have advanced several further claims about the gospel and traditional doctrines To what extent should Christians embrace their views Are these the ways to go forward toward a more authentic Christianity one that is morally better and a better fit for our times Like Truth this book gives careful attention to their thought It also offers its own portrait of major shaping influences on Western Americanized Christianity But there remains a root issue that keeps the Western church whether progressive emergents or evangelicals in its Babylonian captivity It is liberation from that root that will lead to an authentically emergent Christianity

Miles Past Normal Tim Cooper,2010-06-07 At each turn in life we are bombarded with the idea of normal Normal finds a job he hates so it can pay for things he doesn t need while he wishes he was doing something else Normal believes that creativity imagination innovation and dreaming should cease after the fifth grade Normal goes to church for an hour on Sundays but doesn t get carried away or allow her faith to truly intersect her life any other time of the week Each day of normal becomes a tedious hard pill to swallow But each day of normal also swells our thirst for something more Have you ever wondered if there was something beyond normal Have you ever craved adventure What about purpose Wished for meaning Longed to know that what you do really matters Maybe you ve just longed to know that you matter What if you could unlock the secrets to an abnormal life just like those men and women in Hebrews 11 What if God s design for your life is so much more than the trappings of this world What if there is a life up ahead that could be meaningful adventurous and most of all matter for eternity What if God is not done altering the course of history This is your invitation to travel miles past normal
