No-Excuses Innovation Bruce Vojak, Walter Herbst, 2022-09-06 The case for innovation and a clear targeted strategy for planning and implementation that will help small and medium sized mature enterprises SMMEs thrive through reinvention and renewal In contrast to large companies SMMEs are on their own to win or lose in the marketplace They may lack the relative economies of scale and scope available to large companies to understand and invest in innovation Often they are in a position of sustained disadvantage with no perceived path of renewal As SMMEs approach maturity it is common for them to choose to only maintain what they believe to be the safety of maturity attained rather than to opt for a strategy that also includes constant reinvention and renewal But as Bruce A Vojak and Walter B Herbst argue this path of seemingly least risk and least resistance can be the most detrimental to the company in the long run The real risk is to not innovate No Excuses Innovation makes the case to owners advisors executives and leaders as well as those in the trenches of the value of innovation why it s worthy of investment and what it can do for the health and longevity of a company This book also details how innovation and thus reinvention and renewal can be most effectively and efficiently implemented With case studies and narrative examples drawn from their time in industry and the academy the authors present a valuable strategy guide specific to SMMEs and to one of the biggest existential dilemmas they encounter
