powerful argument for its civilizational importance from the author of How Buildings Learn and creator of the Whole Earth
Catalog Maintenance is what keeps everything going It s what keeps life going Yet it s also easy to shirk or defer until the
thing breaks the system falters and everything stops The apparent paradox is profound Maintenance is absolutely necessary
and maintenance is optional The first in a multi volume work Maintenance Of Everything Part One offers a comprehensive
overview of the civilizational importance of maintenance The book begins with a dramatic contest of maintenance styles
under life critical conditions the Golden Globe around the world solo sailboat race of 1968 It goes on to explore the insights
that can be gleaned from vehicle maintenance from the zeal of motorcycle maintainers to the maintenance philosophies that
fought for dominance of the auto industry to the state of electric vehicle manufacturing today with absorbing detours into the
evolution of precision in manufacturing the enduring importance of manuals sustainment in the military and the never ending
battle against corrosion Maintenance Of Everything is a wide ranging and provocative call to expand what we mean by
maintenance not just the tiresome preventative tasks but the whole grand process of keeping a thing going It invites us to
understand not only the profound impact maintenance has on our daily lives but also why taking responsibility for
maintaining something whether a motorcycle a monument or our very planet can be a radical act No one else but Stewart
Brand is talking about the art and science of maintenance and how to do it well This will be an instant classic Kevin Kelly
