Motorcycle Women In Nothing:

Dangerous Curves Jeffrey A. Brown, 2011-04-18 *Dangerous Curves* Action Heroines Gender Fetishism and Popular Culture addresses the conflicted meanings associated with the figure of the action heroine as she has evolved in various media forms since the late 1980s Jeffrey A Brown discusses this immensely popular character type the action heroine as an example of and challenge to existing theories about gender as a performance identity Her assumption of heroic masculine traits combined with her sexualized physical depiction demonstrates the ambiguous nature of traditional gender expectations and indicates a growing awareness of more aggressive and violent roles for women The excessive sexual fetishization of action heroines is a central theme throughout The topic is analyzed as an insight into the transgressive image of the dominatrix as a reflection of the shift in popular feminism from second wave politics to third wave and postfeminist pleasures and as a form of patriarchal backlash that facilitates a masculine fantasy of controlling strong female characters Brown interprets the action heroine as a representation of changing gender dynamics that balances the sexual objectification of women with progressive models of female strength While the primary focus of this study is the action heroine as represented in Hollywood film and television the book also includes the action heroine s emergence in contemporary popular literature comic books cartoons and video games

The Perfect Vehicle: What It Is About Motorcycles Melissa Holbrook Pierson,2011-01-12 This book a polished winding meditation on the theory and fractiousness of motorcycles celebrates both their eccentric history and the wary pleasures of touring The New Yorker In a book that is a must for anyone who has loved a motorcycle Oliver Sacks Melissa Pierson captures in vivid writerly prose the mysterious attractions of motorcycling She sifts through myth and hyperbole misrepresentations about danger about the type of people who ride and why they do so The Perfect Vehicle is not a mere recitation of facts nor is it a polemic or apologia Its vivid historical accounts the beginnings of the machine the often hidden tradition of women who ride the tale of the defiant ones who taunt death on the racetrack are intertwined with Pierson s own story which in itself shows that although you may think you know what kind of person rides a motorcycle you probably don t

Undoing Place? Linda McDowell,2020-10-07 Does geography affect our sense of self How are social characteristics mapped out on the ground And is there any authentic sense of place now or are we increasingly placeless Concentrating on the period between the end of the Second World War and the end of the century this Reader argues that there is a reciprocal relationship between the constitution of places and people What it means to be a man or a woman to have a nationality and a sense of place has been transformed and reinvented as our view of the world has changed The present is perceived as a time of fear a period in which all that is solid seems to melt into air while the 1950s are a site of nostalgia a period of clarity and certainty a time when people know their place Bringing together an interdisciplinary collection of articles for social and cultural geographers this Reader critically examines the argument that the close associations of the 1950s between place the home the community and the nation state and the social divisions gender class and nationality are breaking down in the 1990s Drawing out the oppositional movements in each decade it seeks to show how the supposed stability of one and the mobility of the other are exaggerated

The Girls in the Gang Glennis Dennehy,Greg Newbold,2001 Based on in depth interviews with ten women who like Glennis Dennehy are former gang associates The girls in the gang widens the understanding and dispels some of the myths about this secretive world It considers how and why women get into gangs the inferior roles they occupy the dynamics that keep them there and the means by which women can escape gang control

Women and Missions ,1926 *Constructions of Deviance* Patricia A. Adler,Peter Adler,1997 By including both theoretical analyses and ethnographic illustrations of how deviance is socially constructed organized and managed the Adlers text shows students how the concepts and theories of deviance are applied to the world around them Representing a wide variety of deviant acts the Adlers text challenges one to see the diversity and pervasiveness of deviance in society The Adlers look at deviance as a component of society and examine the construction of deviance in terms of differential social power whereby some members of society have the power to define other whole groups
