## **Ks 1 Sats 2007 Level Thresholds:**

*Third validation compendium report* Great Britain: National Audit Office, 2006-12-19 In 2004 the Government announced 110 Public Service Agreement PSA targets for 17 Departments covering the period 2005-08 PSA targets express the priority outcomes that Departments are seeking to achieve nationally and internationally and cover key aspects of the Government's social, economic and environmental policy. Large sums of public money are devoted to the programmes designed to deliver them. This NAO report contains the detailed results of its examination of the data systems used by six government departments to monitor and report progress against their 2005-08 PSA targets covering a total of 65 data systems. The six Departments are the Cabinet Office, the Department for Culture, Media and Sport, the Department for Education and Skills, the Department for the Environment, Food and Rural Affairs, the Ministry of Defence and HM Treasury. Findings include that 75 per cent of the data systems used are broadly appropriate but less than half of these were fully fit for purpose. Most required some action to strengthen measurement or reporting arrangements. A companion volume HCP 127 I session 2006-07 ISBN 0102944040 is available separately which contains the NAO's summarised findings.

**Teaching Synthetic Phonics** Rhona Johnston, Joyce Watson, 2014-12-08 The synthetic phonics approach is used in all primary schools in England. If you are a trainee or beginning primary school teacher you need to demonstrate a confidence in the teaching of phonics to meet the Teachers' Standards and gain QTS. This is a practical, up-to-date guide to teaching children to read using synthetic phonics. It helps you to understand the theory behind phonics and how children's learning of reading can develop. It gives you practical teaching strategies and outlines how you can assess and diagnose reading problems. This second edition has been updated to include new chapters on the new Phonics Check in year 1 and overviews of popular phonics schemes used in England and Scotland.
