*The Butcher's Guide* Jimmy Kerstein, 2013-11-12 We humans have long enjoyed the satisfying experience of cooking and eating meat We all seem to have memories of our favorite meat eating experiences What makes these meat dishes better Is it the way they are cooked Is it a better cut of meat that makes them better How can we recreate the dishes I spent close to forty years in the retail meat business My biggest joy during these years was sharing my accumulated knowledge with customers helping them to choose the right product at the right price I have written The Butcher s Guide to share this same knowledge with a larger audience Today s strong interest in enjoying cooking along with the economic benefits of saving money tells me the time is right for such a book Changes in the retail meat industry are also reasons to supply today s consumers with better information As the meat production process is streamlined skilled butchers are being replaced by less expensive unskilled workers The butcher behind the meat case is no longer a source of information My love

of cooking was inspired by my mother Unlike most families which eat the same dozen meals over and over again my mother was always making something new and different I share her passion for cooking I like to stretch my cooking talents to make a variety of dishes The Butcher s Guide has information for a large audience from foodies to families looking to save money on their meat purchases      **Chef's Guide to Meat-Poultry-Seafood** BarCharts, Inc.,2005-09-26 Everything you need to know to make Meat Poultry and Seafood dishes in a spill proof guide that will survive years in any kitchen This 4 page laminated guide includes Shopping Preparing Cooking Storing Carving Beef Veal Pork Cuts Lamb Cuts Poultry and Seafood
