

“Modest Proposal” by Jonathan Swift

From my point of view, Swift presents his essay a “Modest Proposal” as way of showing and criticizing, in a satirical and ironical tone, what Ireland was going through during the 18th century which was under the control of Great Britain. If we consider that Ireland was suffering from a religious, political and social conflict as well as famine; the author might use the word “modest” in the title to express that his proposal which was eating children, was just a “humble idea”(ironical tone) to benefit Land –lords, England and help poor people survive. The narrator suggests “...I shall now therefore humbly propose my own thoughts...”. “I grant this food will be somewhat dear and therefore very proper for landlords, who, as they have already devoured most of the parents, seem to have the best title to the children.” Through the use of this metaphor, he specifically blames the wealthy landlords and the English for abusing the lower classes and creating the poverty that the Irish poor are suffering from.

I believe that the Proposer’s voice (the narrator) is not identical with Swift’s voice but we can distinguish the Author’s ideas by the way in which he contributes to the persona he uses. For example, “ having turn my thoughts for many years upon this important subject, and maturely weighed the several schemes of the projectors” in this quote, the narrator expresses that is his responsibility to share his feelings and thoughts about when the essay was published . This is also what Swift demonstrates , in an ironic tone, through this essay. The following quote shows how Swift may also contribute to the proposer’s voice by presenting an idea to improve Ireland “ taxing our absentees at five shillings a pound, of using neither clothes nor household furniture, except what is our growth and manufacture,[...] of being a little cautious not to sell our country and conscience for nothing...”

The proposer begins the essay by presenting and describing the terrible conditions of the poor people in Ireland to generate sympathy or pity in the readers. However, this feeling disappears in the following paragraphs once the narrator’s proposal of commercializing and eating children is presented. Furthermore, his proposal illustrates a moral and religious issue in a Catholic country, the speaker claims “... it will prevent those voluntary abortions”[...] “it would greatly lessen the number of papist...” Apart from that

A Modest Proposal by Jonathan Swift Jonathan Swift, 2025-03-22 A Modest Proposal is a satirical essay written by the renowned Irish author and social commentator Jonathan Swift published in 1729 This provocative piece has become one of Swift's most famous works and is often hailed as a masterpiece of satire Through razor sharp wit and scathing humor Swift addresses the dire social and economic conditions in 18th century Ireland urging readers to reflect critically on issues of poverty oppression and moral responsibility At first glance Swift's proposal appears straightforward yet shocking he suggests that impoverished Irish families should sell their children as food to wealthy diners as a means to solve both their economic woes and the problem of overpopulation This idea outrageous and macabre serves a greater purpose to draw attention to the neglect and exploitation of the Irish people by the English ruling class Swift's biting irony invites readers to consider the inhumanity of viewing the poor merely as a problem to be managed rather than as human beings deserving of dignity and respect Swift employs a logical and calculated style in presenting his proposal which makes the absurdity of his suggestion all the more striking By framing his arguments in a businesslike tone he mimics the detached rationalism often employed in economic discussions of the time He outlines the advantages of his proposal with calculated precision discussing the economic benefits and even providing calculations to illustrate how much a child could be worth on the market This chilling juxtaposition of cold logic and horrific content forces readers to confront their discomfort and reflect on the larger socio political issues at play Through the course of the essay Swift meticulously critiques both the British government and wealthy landlords who exploit the Irish population He highlights the systemic neglect faced by the impoverished depicting these individuals as victims of a callous socio economic environment The absurdity of his proposal

serves as a powerful indictment of the dehumanizing attitudes that allow such injustices to persist unchecked Swift's satirical lens reveals how the ruling class discusses and treats the poor ultimately prompting readers to question their complicity in societal problems Swift's use of irony amplifies the impact of his arguments For instance he suggests that poor families should treat their children as commodities yet he concurrently exposes the inherent absurdity in viewing human life through an economic lens His extreme proposition compels readers to grapple with the underlying truths about societal neglect and moral apathy Rather than offering a genuine solution Swift's essay demands that readers confront the immorality of maintaining the status quo challenging them to reflect on what it means to be humane in the face of suffering The title itself *A Modest Proposal* serves as a significant element of the satire The word modest is deliberately ironic juxtaposing the outrageousness of the proposal with a tone that suggests reasonableness and practicality This contrast prepares readers for the shocking content amplifying the impact of the message Swift's choice of language reinforces the satirical nature of the work as he articulates his ideas with a veneer of civility which ultimately highlights the grotesque nature of his proposition Throughout the essay Swift also employs vivid imagery and detailed descriptions which contribute to its emotional and psychological impact By painting a stark picture of the suffering experienced by the Irish population he elicits sympathy and outrage from his audience This vividness not only serves to shock but also reinforces the urgency of his critique emphasizing the human cost of inaction in response to poverty and inequality Ultimately *A Modest Proposal* transcends its historical context remaining relevant in contemporary discussions of social justice inequality and ethics The work challenges readers to consider the moral implications of their own actions and the treatment of marginalized populations Swift's audacity to confront societal issues with humor and irony continues to resonate today encouraging critical dialogues about economic policies and social responsibility In summary Jonathan Swift's *A Modest Proposal* stands as a brilliant example of satirical writing that combines humor with a piercing critique of societal norms and injustices Through his outrageous suggestion Swift forces readers to confront the dehumanization inherent in socio-economic discussions and the neglect of vulnerable populations His work challenges us to advocate for compassion and humanity in addressing social issues rather than perpetuating cycles of exploitation As readers engage with this masterfully crafted essay they are invited to reflect on their own roles in fostering a more equitable and just society

A Modest Proposal Johnathn Swift,2014-06-13 I have been assured by a very knowing American of my acquaintance in London that a young healthy child well nursed is at a year old a most delicious nourishing and wholesome food whether stewed roasted baked or boiled and I make no doubt that it will equally serve in a fricasie or a ragoust I do therefore humbly offer it to public consideration that of the hundred and twenty thousand children already computed twenty thousand may be reserved for breed whereof only one fourth part to be males which is more than we allow to sheep black cattle or swine and my reason is that these children are seldom the fruits of marriage a circumstance not much regarded by our savages therefore one male will be sufficient to serve four females That the remaining hundred thousand may at a year old be offered in sale to the persons of quality and fortune through the kingdom always advising the mother to let them suck plentifully in the last month so as to render them plump and fat for a good table
