## **Jordan Conditions Issues And U S Relations:**

*Jordan* Kathleen Ryers, 2014 Despite conflict on its borders the Hashemite Kingdom of Jordan appears to remain a relatively stable and reliable partner for the United States in the Arab world Jordan's strategic importance to the United States may be increasing given the ongoing civil war in Syria fighting in western and central Iraq uncertainty over the trajectory of Palestinian and Egyptian politics and ongoing global counter terrorism operations In each of these arenas U S Jordanian military intelligence and diplomatic co operation seeks to empower political moderates reduce sectarian conflict and eliminate terrorist threats This book provides an overview of Jordanian politics and current issues in U S Jordanian relations It provides a brief discussion of Jordan's government and economy and of its co operation with U S policy objectives in the Middle East including the promotion of Arab Israeli peace

**The Palgrave Handbook of the Hashemite Kingdom of Jordan** P. R. Kumaraswamy, 2019-11-30 This Handbook presents a broad yet nuanced portrait of the Hashemite Kingdom of Jordan its socio political rifts economic challenges foreign policy priorities and historical complexities The Hashemite Kingdom of Jordan has traditionally been an oasis of peace and stability in the ever turbulent Middle East The political ambitions of regional powers often expressed in the form of territorial aggrandisement have followed the Hashemites like an inseparable shadow The scarcity of natural resources especially water has been compounded by the periodic influx of refugees from its neighbours As a result many Arab and non Arab alike have questioned the longevity and survival of Jordan These uncertainties were compounded when the founding ruler King Abdullah I became involved in the nascent Palestinian problem at the end of World War II The annexation of the eastern part of Mandate Palestine or the West Bank in the wake of the 1948 War transformed the Jordanian demography and sowed the seeds of an uneasy relationship with the Palestinian component of its population citizens residents and refugees Though better natural resources and stronger leaders have not ensured political stability in many Arab and non Arab countries Jordan has been an exception Indeed since its formation as an Emirate by the British in 1921 the Kingdom has seen only four rulers a testimony to the sagacity and political foresight of the Hashemites The Hashemites have managed to sustain the semi rentier model primarily through international aid and assistance which in turn inhibits Jordan from pursuing rapid political and economic reforms Though a liberal multi religious and multicultural society Jordan has been hampered by social cleavages especially between the tribal population and the forces of modernization

*Women and the Media in Jordan* Ebtihal Mahadeen, 2022-03-29 This book provides a feminist critical study of how gender power relations are played out through and across multiple mediated arenas in contemporary Jordan It departs from an understanding of women's status in Jordan as a highly charged subject and a view of the media as not just a locale where tensions play out but also an important arena for contestation and resistance The book examines the dynamic relationship between women and the media in Jordan as it manifests at three key levels labour representation and activism To do so it engages with wider issues the political economy of the media regulatory and legal frameworks Jordanian

women s economic participation the history of Jordanian feminist activism gender based violence and the political context of the Arab Spring in Jordan Through choice case studies the book unpacks the complex role of legal political and social factors in shaping women s relationship to the media It centres women s experiences and highlights their agency disobedience and efforts to negotiate and resist the limitations imposed by Jordanian patriarchy and in doing so it illustrates how gender power and resistance interplay through and within Jordanian media
