### **Page 8**

While Tita was singing and waving her wet hand in time, showering drops of water down on the griddle so they would "dance," Rosaura was cowering in the corner, stunned by the display. Gertrudis, on the other hand, found this game enticing, and she threw herself into it with the enthusiasm she always showed where rhythm, movement, or music were involved. Then Rosaura tried to join them..... The momentum carried Rosaura's hands onto it.

*(Comments: You may want to shorten up the passage to which you are responding. Use three ellipses [periods] to delete information within a sentence. Use four ellipses to leave out information within a paragraph but across one or more sentence boundaries.)*

### **Sample Response 1**

I remember doing this as a child. My sister and I said the water was ice-skating. I tried to do it the other day but it didn't work.

*(Comments: This is related to the topic, but it is too short. It lacks depth of thought and development. To me this entry looks a little confused, lazy or rushed. This response would receive about 2 or 3 points.)*

### **Sample Response 2**

Tita was showing her sisters how to have some fun dropping water onto a hot cooking surface to see the water drops float across the surface. Gertrudis enjoyed this activity because they did it while dancing. Rosaura was afraid to try it, so when Tita tried to force her, Rosaura burned her hands. I think Tita and Rosaura are very different people and will not get along very well.

Bentley,Edwin Garrigues Boring,Margaret Floy Washburn,1922 **Critical Race Media Literacy** Jayne

Cubbage,2022-07-21 This volume offers deeper exploration and advancement of critical race media literacy a concept which fuses the genres of media literacy and critical media literacy with critical race theory to bring a new and salient frame to the discussion of media literacy across all levels of education in today s globalized race based and media saturated climate

Bridging the gap in research that has not addressed the ways in which media is a conduit of racial dialogue and ideology the book brings together a diverse group of scholars that explore their perspectives on critical race media literacy as it is experienced from the interface and consumption of a variety of media texts and social phenomena Topics addressed include

news literacy children s literature Black political movements media protests and ethnic rock Critical Race Media Literacy addresses these topics within existing media literacy contexts to enhance media literacy scholarship and educational pedagogy This book will provide a timely and important resource not only for scholars and students of media literacy and media education but also for educators working in diverse learning settings

**Researching Poverty and Austerity**

Caroline Moraes,Morven G. McEachern,Deirdre O'Loughlin,2023-11-30 Poverty is a complex global challenge rooted in intertwined social economic and political factors which excludes people from participating fully in normalised social and market based activities The COVID 19 pandemic has exacerbated poverty related issues such as food insecurity and growing numbers of people are having to rely on welfare assistance This pandemic coupled with austerity measures implemented across many European countries over the past years has impacted negatively on towns cities regions and countries leaving places and communities depleted This edited volume curates a collection of relevant research addressing the challenges of poverty and the political economic measures that perpetuate it It adopts a cross disciplinary approach to covering relevant theories methodologies and policy oriented research highlighting the interlinkages between poverty and austerity that have resulted since the 2008 financial crisis In particular the book focuses on food insecurity as one of the most extreme manifestations of poverty but also addresses interconnected issues such as unemployment homelessness and poor health The contributors primarily utilise diverse qualitative methods that give voice to lived experiences of poverty while also considering quantitative approaches that are essential for measuring food insecurity and modelling the impacts of austerity The book will be of significant interest to anyone researching poverty and austerity with an interest in social policy human and cultural geography marketing and consumer culture economic policy public health and sustainability **School Library**
