Writing Yoga Bruce Black, 2016-08-01 Writer and editor Bruce Black began studying yoga five years ago when his knees could no longer stand the stress of running. After taking classes for a few years, he started keeping a journal to explore his experiences on the mat. Out of his journal and his devotion to Anusara Yoga has emerged a book that delves into the nexus of yoga writing and life. In *Writing Yoga*, Bruce begins by sharing tips he has learned along the way: the benefits of keeping a practice journal, how to select just the right blank book, writing at different times of day, how often, and more. He has organized the book by theme into chapters with guided writing exercises. Part memoir, part writing guide, Bruce reflects on practice as life: the excitement of walking into his first yoga class, apprehension about bending backward, discomfort with body appearance, the yoga of family relationships, the exhilaration of coming into a headstand for the first time, deepening appreciation for his teachers, and waking up to the exquisite beauty of the world around him. And he weaves excerpts from his own journal throughout. Bruce guides you in stepping onto your mat and picking up your journal with curiosity and commitment. He shows how your journal can become a good friend, a confidant, a tool to deepen your experience of asana and pranayama, and a mindfulness practice in itself.

God Whispers Liz Thompson, 2013-04-15 Where are you at this moment? If your first reaction was to say "I am in a book store" or "I am in my recliner," I would likely say the same thing. But what I am asking is: where are you in your faith walk with God? Do you feel far from Him? Maybe you walk closely with Him and hear His voice in your life. Are you in a listening mode, or are you tuned into the noise in your life cluttered with things to do, places to go, and people to see? Maybe you picked up this book because you were curious how God could possibly whisper. Or maybe you needed to make a major decision and you thought this book might help. Or maybe you picked it up because when you saw "fudge" in the subtitle, you thought it might be a recipe book. It is a recipe book in its own way, and for fun, you will find fudge recipes in the appendix. But I wrote this book to share some experiences of mine and those of its contributors about how we learned from our fudges and responded to God's nudges. God wants to free us from our self-made cocoons or chrysalises and watch us fly free like a butterfly. Liz Thompson lives in Grove City, Ohio, with her husband Bob and wire-haired dachshund Toby Bear, who is her Certified Hearing Dog. In 2008, Liz's first book, *Day by Day: The Chronicles of a Hard of Hearing Reporter*, was published by Gallaudet University Press. She has a column in *This Week Newspapers*, formerly *Suburban News Publications*, SNP in Columbus, Ohio, where she was also a reporter. SNP from 2000-2003. From 2003-2005, she and her husband lived in Arizona, where she was a Community Columnist for *The Arizona Republic*. Liz has been a writer for *Hearing Health Magazine* and *www.moveoverms.org*. She wants to share her faith in God in her writing and pass on the love of writing to the next generation.
