helpful and occasionally where the precise legal position is unclear the author uses his significant experience to offer a view. Overall the information is presented in a manner that it is easy to understand use and reference. The 2016 edition of the contract contains a great many changes from previous editions and these are all covered. For example the book includes information about the substantially revised payment provisions changes to those parts dealing with insurance variation instructions the CDM Regulations Supplemental Provisions definitions and the Contractor's Designed Portion. In summary this fifth edition has been comprehensively revised and updated to ensure the discussion is easy to comprehend and use by busy architects and contractors. Include a number of tables and flowcharts to assist in understanding the way the contract operates. Include several letter templates that can be used in common situations. Provide answers to the sorts of problems that commonly arise in the course of a building project. The new edition of this classic book on The JCT Minor Works Building Contracts will be an ideal tool for busy architects and contractors who need to find what to do when problems arise on projects using this contract.

*Jct Joint Contracts Tribunal*, 2007-06-01      *The JCT Minor Works Form of Contract* David Chappell, 2004-07-12

The Agreement for Minor Building Works MW 98 is the most widely used of the JCT forms of contract not only for simple short contracts of moderate price for which it is intended but also for much larger projects for which it is often not suited at all. As a result contractual difficulties can arise and despite the form's simplicity an understanding of the legal background to the form is essential. This book explains the practical applications of the form from the point of view of employer architect and contractor. It provides a straightforward explanation of the legal aspects of the form supported by flow charts tables and sample letters. The Third Edition has been revised to cover the 1998 edition of the form and the range of amendments issued to the contract since the last edition of the book was published in 1998. The new edition also takes account of the Housing Grants Construction and Regeneration Act 1996 as well as the latest RIBA terms of engagement and a substantial number of additional legal decisions. The book will provide a working tool for all those using MW 98 a useful book with a practicality to commend it to contract administrators.
