

Mother Courage and Her Children

Brecht's "Mother Courage and Her Children" is a play with a great political and social context. Brecht was a bitter commentator in the devastating effects of war on politics and the human spirit and a masterful black comedian. Brecht wrote Mother Courage to demonstrate that it is the great entrepreneurs as a result of capitalism that make war inevitable. "Mother Courage" comments on the socio-economic aspects of war and criticises the pragmatism and bourgeois ideology within the ranks of people.

Brecht uses the unusual situation of War to highlight the faults in human characters and the unjust nature of society, favouring the bourgeois and exploiting the proletariat. Mother Courage is set in the Thirty Year War, and instead of concentrating on the battles of the war but presents the every-day war life with the inherent "Businessman" Mother Courage and her three children, whom she inadvertently sacrifices one by one. Mother Courage is an ambiguous figure. She embodies a clash of contradictions and ideals, she is a dialectic; both fearless and feckless, wise and uneducable, maternally caring and emotionally aloof.

A self-following trader, she picks the bones of a war-withered economy to feed her fatherless children. She unconsciously subscribes to a capitalist system and does not realise the consequences of it; Mother Courage disagrees with war, but continues to exploit the commercial aspect of it, through selling her products. Brecht is creating a world intensified by war; Mother Courage is trapped in a system driven by greed, self-interest, war and profiteering. Mother Courage adheres to the rules of the capitalist system and as a result she both succeeds and fails.

Although she gains in terms of profit, she loses all of her children to the war. A life-long pacifist Brecht wrote "Mother Courage" in 1939 at the onset of World War II. Brecht uses the character of Mother Courage as a demonstration of his criticism "that in wartime the big profits are not made by the little people" Mother Courage does not represent an individual but an archetype to highlight the communist philosophy of Brecht. Brecht believed in the philosophy of Karl Marx, that the capitalist system was corrupt and immoral, and if a country subscribed or adhered to it then war would be inevitable.

Mother Courage represents the capitalist system which acts as a catalyst for war; Brecht's point in Mother Courage is that profit motive keeps the war going, it's the price that we pay; "Takes a war to get proper nominal roles and inventories- shoes in bundles and corn in bags, and a man and beast properly numbered and carted off, cause it stands to reason: no order, no war" The shoes in the bundles and the corn bags are for Mother Courage stock items that lead to orders, and thus capital. War according to the Sergeant and Mother Courage, is just "business"- no war no orders.

War therefore is a continuation of business, that makes the human virtues fatal to even it
