How to Use This Manual

The MOTIF XF Reference Manual (in PDF format) is equipped with special features that are exclusive to electronic files, such as the Link function and the Search function which lets you jump to the desired page by clicking the page number of the specific term.

Screen 1 The MOTIF XF lets you select one of eight different color types (page 220). This manual uses the screen shots which are shown by setting the Color parameter to "Yellow" in the Utility mode. This is the most universal color visibility, allowing the manual to be easily viewed by many people having different types of color recognition.
