*Moto GP Yesterday & Today* Michael Scott, 2017-10 Moto GP has never seen anything like this before in what is a unique visual study of the world's leading motorcycle championship. *Moto GP Yesterday and Today* is a stunning illustrated book where vintage photographs are shown alongside related images from the modern era. The topics covered include the legendary champions, famous tracks, great races, and life away from the track, which has resulted in a unique record that reveals Moto GP from a new and exciting perspective. Written by leading MotoGP journalist Michael Scott, *Moto GP Yesterday and Today* illustrates how much the sport has changed over the years but also how several of the fundamentals of motorcycle racing have remained unaltered.

**The Economics of MotoGP** Paulo Reis Mourão, Anthony Macedo, María del Carmen Sánchez-Carreira, 2025-09-26 This book provides insight into the economics of MotoGP and critically analyses the huge amounts of money, employees, racers, directors, and investors involved in the sport. It outlines the costs of MotoGP and the financing of both the teams and the competition itself, highlighting the importance of advertising and broadcasting within the sport's economic model. Through applying ideas of supply and demand and equilibrium value to MotoGP, an understanding of how certain teams and racers perform better than others is outlined alongside a look at the competitive nature of the sport and what is needed to survive within it. Broader issues including the political economy of MotoGP, technological innovation, and the ecological footprint of motorsport are also discussed. This book offers a unique perspective on the operations of MotoGP and how the sport has grown over recent years to have an audience of dozens of millions of viewers per race. It will be relevant to students and researchers interested in sports economics and general readers interested in MotoGP.

**Motorcycle Grand Prix** Adam Wheeler, 2025-03-27 A revealing access all areas look inside the thrilling high stakes world of MotoGP packed with exclusive interviews and untold stories.

**Life** Spring Wilde, 2013-01-04 In a collection of short stories composed of laments, commentaries, musings, and rants, *Life Such As It Is* looks with unbridled elucidation at a variety of topics. It cogitates society's newly found political correctness which provided liars, cheaters, bad singers, and untalented actors with excuses, apologies, and acceptances they would never merit had we all not lost our minds. In the words of the author, "We make the life we have and to sit around and gripe about the crappy stuff that happens to us because we've made bad or stupid choices is utter nonsense. We were so busy bringing Sexy back that we forgot all about self-respect, an honest day's work, truth, decency, and responsibility for screwing up. We need to bring those back."

*Toppu GP* Kosuke Fujishima, 2017 Toppu Uno never wanted to race motorcycles. He was perfectly content watching his sister ride with his eagle eyes; he knew her lap times before the stopwatch did. When he's convinced to take a ride on a minibike for the first time, his hours of observation translate into instant skill on the track. But turning a quick lap and winning a race are two very different things, and Toppu's got a long way to go before he's ready for the big leagues. MotoGP, the highest level of two-wheeled road racing.
