Mosl Science Tests In Nyc Schools:

Race, Equity, and Education Pedro Noguera, Jill Pierce, Roey Ahram, 2015-11-14 This powerful and timely analysis takes stock of race and education sixty years after the historic Brown vs Board of Education decision This volume examines education as one of the most visible markers for racial disparities in the US as well as one of its most visible frontiers for racial justice Featuring original research educators insights and perspectives from communities of color it documents the complex impact of social educational policy on social progress Chapters on charter schools curriculum content performance measurement and disproportionalities in special education referrals shed light on entrenched inequities that must be confronted The book also makes it clear that leveling the playing field calls for not only better schools but also addressing pervasive social problems such as poverty and housing segregation Included in the coverage School Policy is Housing Policy Deconcentrating Disadvantage to Address the Achievement Gap Charter Schooling Race Politics and an Appeal to History The Data Quality Movement for the Asian American and Pacific Islander community an unresolved civil rights issue Critical Ethnic Studies in High School Classrooms Academic Achievement via Social Action Mexican American Educational Stagnation The Role of Generational Status Parental Narratives and Educator Mes sages p pp Pinpointing crucial issues and opportunities for solutions Race Equity and Education has immediate salience for educators and researchers studying the intersection of race and education

Ignatian Pedagogy for Public Schools Benjamin J. Brenkert, 2023-07-27 This book shows how the pedagogical philosophy of the Society of Jesus the Jesuits founder Ignatius of Loyola can be used and applied in public school settings in the USA and around the world without dismantling the separation of church and state Ignatian Pedagogy should be considered a historical precursor to modern practical and pedagogical theories such as culturally relevant pedagogy and equity frameworks in education with Jesuit foundational texts such as the Ratio Studiorum including material about working within and valuing the context of the culture surrounding schools emphasizing student voice and empowering the student as a co teacher Based on new research carried out in New York City Department of Education NYC DOE schools the author argues for universal character formation programs based on already existing and highly effective programs at Jesuit sponsored schools The research shows that universal character formation programs are highly effective in developing students flourishing strengthening their relationships with themselves and others and enabling critical reflective thought Based on the theory of Ignatius of Loyola and the work of thinkers including Paulo Freire Mahatma Gandhi Elisabeth Johnson and Martin Luther King Brenkert presents a theological philosophical framework for creating a beloved community free from oppression poverty and hate

Restorative Literacy Practices Deirdre Faughey, 2023 See what happens when learning is approached as a creative transaction between teachers students texts and methods The author shares scenarios or problems from her ELA classroom the action she took to address it and the outcomes The text includes examples of student work lesson plans rubrics handouts and suggestions for teacher preparation programs
