It Can Happen To You Volume 1:

Funny Things Can Happen on Your Way through the Bible, Volume 1 Charles D. Barrett, 2010-04-01 Proceeding from Voltaire's conclusion that God is a comedian playing to an audience that's afraid to laugh this book seeks to uncover some of the many instances in which biblical texts offer readers grace and insight through the divine gifts of humor wit and laughter Readers are invited to take a strikingly unusual if not unique approach to the texts imagining not only the voice inflections but also the body language of their narrators to capture the humorous nuances and ripples of laughter that likely attended the first telling of many biblical stories **Take It Easy, Vol 1 Talks on Zen Buddhism** Osho, 2023-03-07

Religion is the vast sky of existence Reason is a tiny human phenomenon The reason has to be lost has to be dropped Only by going beyond the mind does one start understanding what is That's the radical change No philosophy can bring that radical change only religion Religion is non philosophic anti philosophic and Zen is the purest form of religion Zen is the very essence of religion Hence it is irrational it is absurd If you try to understand it logically you will be bewildered It can only be understood illogically It has to be approached in deep sympathy and love YOU CANNOT approach Zen through empirical scientific objective concepts They all have to be dropped It is a heart phenomenon You have to feel it rather than think it You have to BE it to know it Being is knowing And there is no other knowing **The Internet Escort's Handbook Book 1: The Foundation** Amanda Brooks, 2006-10-16
