Who Are You? Alex Custodio,2020-10-13 Celebrate Nintendo s Game Boy Advance in this video game history that traces the handheld s network of hardware and software afterlives In 2002 Nintendo of America launched an international marketing campaign for the Game Boy Advance that revolved around the slogan Who Are You asking potential buyers which Nintendo character game or even device they identified with and attempting to sell a new product by exploiting players nostalgic connections to earlier ones Today nearly 2 decades after its release and despite the development of newer and more powerful systems Nintendo s Game Boy Advance lives on through a community that continues to hack modify emulate make break remake redesign trade use love and play with the platform In *Who Are You* Alex Custidio considers each component of this network hardware software peripheral or practice to illuminates the platform s unique features as a computational system and a cultural artifact You ll learn about The evolution of Nintendo s handhelds and consoles and how they embed nostalgia into the hardware Nintendo s expansion of the Game Boy Advance platform through interoperability Physical and affective engagement with the Game Boy Advance Portability private space and social interaction The platformization of nostalgia Fan generated content including homebrew hacking and hardware modding And much more Although the Game Boy Advance is neither the most powerful nor the most popular of Nintendo s handhelds Custodio argues it is the platform that most fundamentally embodies Nintendo s reliance on the aesthetics and materiality of nostalgia
