You may be worried about breastfeeding and worried that it might not work. This is a common feeling when you live in a society where breastfeeding is often sabotaged by incorrect information, patchy support from a stretched health service and powerful messages from formula companies. But it's not a feeling that is entirely logical. **Lactation for the Rest of Us** Jacob Engelsman, 2025-02-21. Can I lactate if I've had top surgery? When can I restart taking testosterone? Where do I start with donor milk? Finally a book about lactation not geared exclusively towards cisgender women. Lactation for the Rest of Us is an early addition to the literature for queer and trans people who have seen themselves left out of previous informative books on chestfeeding and lactation. Useful information is included for transmasculine parents, transfeminine parents, non-binary
